Harmony Concert

We welcome our community to join us for a harmony concert, come along and see what happens each week at Alchemy Chorus.

Do you work in a role supporting those living with dementia and their carers? Do you have a family member or friend living with dementia? Invite them along with their carers.

Our Chorus includes people living with dementia their carers, and volunteers. Watch our chorus perform, observe the joy that is Alchemy Chorus. Please bring along a gold coin donation which will go towards running costs of the chorus.

**Come along to a
joyful performance!**
