Dear,

Jason Lundbeck has been my instructor at Bob O'Link golf club for the past 3 years. He has helped me in so many ways, he's been a great teacher, but I also consider him a friend. Any club would be lucky to have him.

Jason has helped me lower my handicap and become a better player both physically and mentally. He has stayed patient with me during the frustrations of changing my golf swing. He is always available when I need him and always checks up after practice or playing to see how everything went. He has helped me find the best equipment for me. I couldn't ask for more from a teaching pro.

He does more than just instruct; he has been a friend of mine. We have had great conversations about life, family, kids, sports. Jason has always looked out for my best interests and makes me feel welcome and that is something I've appreciated being a member at Bob O'link.

Warm regards,

KEVIN YEOMAN
