Basic App Setup

HOW TO SET UP THE APP

Use a **Chrome Browser** or **iPad app**. If using iPad, use the app, not Safari.

Please make sure all devices are **powered on BEFORE** logging in with the QR code.

If you are not receiving a score, simply **refresh the browser** or **restart the app**. In fact, if you have any issues, hit refresh, restart the app, and/or unplug the MIDI cord from your device and plug back in.

HOW TO PLAY A SONG

Quickly press **ANY 2-Black key group 3 times** to both start a song at full speed. Pressing the 2-black key group 3 times quickly will also stop a song at any speed.

A student will automatically enter practice mode (snail speed) if they score below an 80% 5 times in a row. A score of 80% or above will then unlock full speed.

SCORE	
80-89	★☆☆☆☆
90-94	★★★☆☆
95-100	★★★★★

Stars can **ONLY** be earned at full speed.

Puzzle pieces show the score at the point the piece was stopped.

Achieving 95-100 on a piece that already has 3 stars will give you a **jewel**. You can acquire 3 jewels followed by a **crown**. In other words, 5 playthroughs of 95-100 will achieve a crown.

Click the tutorial button to watch a short video on how to play the piece.
