## *Policies & Fees*

### *Commitment & Expectations:*

At RMS, we believe that learning to play the piano is a journey--not a sprint! While we operate on a flexible, month-to-month basis, piano is a long-term skill that develops over time with regular attendance, encouragement, and practice. Here's what to expect:

- **One class per week** – Consistency is key to progress! Your child's spot is reserved just for them.
- **Year-round learning** – We hold 46 lessons per year, including summer months, to maintain steady momentum and retention.
- **Piano is a long-term skill** – Progress doesn't happen overnight. We encourage families to think in terms of *years*, not *weeks*.
- **If you need to pause** – Just let us know by the 15<sup>th</sup> of the month using our quick Drop Form. That helps us plan and offer your child's spot to another student.

### *2025 Performances:*

March 23-29: In-Class Recital

June 22-28: In-Class Recital
