

## Read & Discuss Stories

Focus on  
**Before, During  
& After** reading.

### Before

- Before you begin reading, talk about the cover of the book. What colors do you see? Who is on the front? What might the book be about?

### During

- As you read, use facial expressions and different voices to engage you child.

### After

- After you finish the book, talk about how the llama might feel. Also, talk about what happened in the beginning of the story, in the middle of the story, and at the end of the story.
