

INFORMATION ABOUT THE APP

Family Connects now offers anytime, anywhere parent education powered by **YoMingo®**, an education program designed to give you convenient access to valuable information. It includes the tools and support you need at every stage.

This education application gives you access to:

- Evidence-based information on prenatal care, labor & birth, postpartum, breastfeeding, and newborn care including lots of videos
- List of available classes and support groups
- Kick counter, contraction timer, personal journal, feeding log, immunization log, and other tools

This education powered by YoMingo is available on any device with an internet connection and also as a mobile app called YoMingo.

Sign Up for the Family Connects Pregnancy & Newborn App

3 Easy Steps

Step 1: Register

- YoMingo is available on any device with an Internet connection.
- Register for the program: <https://bit.ly/familyconnectspeoria>
- After you have registered, you will receive an email from noreply@yomingo.com.

Step 2: Check your email

- Check your email for your login credentials! Your confirmation email will NOT come from a Family Connects email address. If you don't see the YoMingo confirmation email in your inbox, please check your spam/junk folder.
- Once you have registered, you can also download the mobile app version by searching your app store for "YoMingo" which is available in iTunes and Google Play app stores.

Step 3: Download the YoMingo App or visit the website at <https://app.yomingo.com/>

- Sign in using the username/password from the email.

If you have questions about this educational resource, please email familyconnects@chail.org or call 309-687-7433.
