Consent for Referral and Release of Information

I authorize the above-listed agency to refer me to Prairie State Legal Services ("PSLS") and to release information to PSLS about my legal problem and the assistance needed. I authorize PSLS to contact me at the address, phone number, and/or email provided above and to contact the referring source about my application as needed.

I understand that this referral does not guarantee that PSLS will accept me as a client and does not create an attorney-client relationship. I understand that PSLS has limited resources, financial eligibility guidelines, and specific case-type priorities and prohibitions to which it must adhere, and that PSLS must determine whether a referred client's legal matter presents a conflict of interest. I consent to PSLS contacting me in order to screen me for eligibility and conflicts of interest.
