CREEKS OUTLAWS

Dear Business Sponsor:

The Creeks Outlaws tradition has been built on a strong set of core values committed to building traits in young men that will assist them in becoming better prepared to be thoughtful & productive members of our community & society. Outlaws football players and coaches are expected to be honorable, reliable, respectful, committed and team oriented. By living these principles on daily basis, each player and coach can be proud of what he accomplishes on and off the field.

The Creeks Outlaws football program offers several levels of advertising/sponsorship opportunities that make it possible for businesses & resources enable us to partner with businesses to ultimately reach the local community. In doing so, minimal monetary and/ or time investment is required when compared to traditional methods of advertising. Creeks Outlaws football season is the best opportunity for business sponsors to communicate with the community. Game days draw up to 2000 St Johns & Duval residents. The corporate sponsor funds will provide needed equipment, uniforms, and most importantly, provide athletic scholarships for athletes who otherwise would not participate without your support. As a recognized 501(c)3 program, your sponsorship is tax-deductible. The Creeks Football League Tax ID # will be provided upon donation.

The potential shelf life of ads/sponsorship is a calendar yr, granting your business exposure long after the season has ended. For the 2021 season there were over 6,600 athletes registered to played various sports for Creeks Athletic Association. Plantation Park host thousands of visitors every month and the visibility of your advertising and the amount of impression your company will receive for your donation to Creeks Football League is invaluable.

Creeks Football League is a proud member of the North Florida Football. Conference. Because of the support form local businesses in St.Johns and surrounding areas the money we raise continues to directly support our players and the football program in achieving a foundation for success that transcends what happens on the field and impacts the community at large. Being a corporate sponsor of the Creeks Football League will help to make a positive impact that is measured in our community and in the lives of our players.

I would like to thank you for your support of our program. The Creeks Football League has become a source of great pride in our community. As we continue to build for the future, we look forward to and need your support. Please accept this as a personal invitation to come share in the benefits of our Teammates for life program with other in our community by attending a game this season.
