“President's Message”

First let me wish everyone a Happy New Year! Let's hope that 2022 turns out to be better than 2021. With all the covid restrictions going on we do not know who to believe. The only thing I can suggest you do is do what's best for you and your loved ones. Regarding the Medicare Advantage program, the only thing I can say is wait until the courts decide as to what's what. So hold off making any changes to your plan until all the information is available. Tom Brady our Sgt-at-Arms has stepped down, but he will remain as a Trustee. Gil Larregul will take over as Stg-at-Arms. Gil has been very much involved with the Ten-13 club since becoming a member. He was instrumental in the Club getting the new canopy with our logo on it, as well as the 2021 9/11 pins. I believe he will be a great addition to the Board. As President, I try to improve the Club in any way I can. One way is to bring in the spouses, as a Lady's Auxiliary, where they can help with fund raising by holding garage and bake sales. Also, the possibility of having the spouses and significant others attend one meeting, like a lady's night. We were also thinking of having a social night at Leathernecks, apart from the meeting night, where we can just gather, eat, drink, and shoot the breeze. Councilwoman Michelle Fiore will attend the January meeting, so come early and eat before the meeting starts. As a reminder, 2022 we are now collecting Club Dues, it would be nice if we can get all members paid up early. I hope to see you all at the January 26th meeting. So, until we meet again live every day as if it were your last day, because one day it will be.

**Fraternally,
Charlie Licata**

On Wednesday December 22nd, 2021, Jonah was able to achieve the rank of Eagle Scout, the highest and hardest rank any Scout can attain in the Boy Scouts of America. Jonah was the first African American in his Boy Scout Troop to achieve the rank of Eagle Scout. Jonah has experienced a few major losses in his short life, but he was still able to keep going. Congratulations to Jonah on this great accomplishment, the world could use more young men of his caliber.
