

# The Most Booked Consulting Company

RICE CONSULTING CO.

## Get to know your New Consulting Company.

Rice Consulting Co. is the most booked and #1 rated consulting company for small businesses, dedicated to helping entrepreneurs turn their ideas into thriving enterprises. Built on trust, service, and results, we specialize in business startups, small business and personal taxes, life insurance solutions, and website design.

We specialize in business startups, small business and personal taxes, life insurance solutions, and website design—providing everything entrepreneurs need to build, protect, and scale their businesses.

With a reputation for excellence and a 100% satisfaction rating, Rice Consulting Co. is more than a consulting firm—we are a partner in your success. Our mission is clear: to empower entrepreneurs, deliver results, and provide solutions that last.

## Most Booked & #1 Rated

Recognized as the leading choice for entrepreneurs, we've earned our reputation by consistently delivering results and being the most trusted, most requested consulting company for small businesses.

## 100% Member Satisfaction Rating

Every client and member we've served has rated their experience as excellent. Our track record proves that we don't just meet expectations—we exceed them.

## Affordable Memberships

Designed to keep consulting accessible, our memberships provide ongoing support, exclusive resources, and direct access to our expertise—at a fraction of traditional consulting costs.
