

The first AKC Newfoundland Specialty Club.

The Queen City Newfoundland Club is located in the greater Charlotte, NC area. We have completed and been granted our license and have become an AKC Specialty Club.

The purpose of our Club is to provide choices, education and specialties, which enable Newfoundland faciers more opportunities to earn titles and ACK points/championships.

PRESIDENT'S MESSAGE

GREETINGS TO THE QUEEN CITY MEMBERSHIP

I hope everyone is having a wonderful summer, maybe enjoying showing your Newfoundland dogs or just relaxing at home. QCNC started our summer with a grand AKC mentored specialty in Concord, NC. It took a whole year to plan this event. Coordination of AKC paperwork, hospitality, trophy and ribbon decisions, reserved grooming space, safety, large breed ring, etc. are all a part of a well represented specialty show that Newfoundland fanciers expect. A special thank you goes out to all those who volunteered for hospitality, helped sponsor classes, donated items for the basket raffle and volunteers for putting this show together.

After the show, AKC sent me a letter informing Queen City Newfoundland Club that our mentored specialty was held successfully and that the Queen City Newfoundland Club is now officially licensed for holding AKC Championship Conformation point shows. I was super proud of all the exhibitors, and spectators that attended our show. It was very nice to see old friends coming to see old friends, others had competition as their main goal, and some enjoyed watching the judging. No matter the reason, QCNC served as a focal point of dog interests and activities and our shows served as a good reason to have a dog show for our Newfoundland dog fanciers.

Per AKC, we were not allowed to have puppy or veteran sweepstakes or hold educational informative programs for this mentored event. Next year we will have these events and will be able to pass on education about our Breed and hold sweepstakes to enjoy seeing our youngsters and veterans.

At the Annual meeting and Luncheon, I was thrilled at the number of people who attended our meeting to help see our show succeed. For next year, I would like Queen City Newfoundland Club to recognize and present awards to members and their Newfoundlands for their hard work. If anyone would like to volunteer to be the Queen City Awards chair, please contact us.

I am very grateful of the work the Board has done for this year. I wanted to say a special thank you to Dr. John O'Neil, DVM, a founding QCNC member is stepping off as 2nd Vice President, thank you for your work and contributions to QCNC. You are always welcome back to the Board. Filling this position will be Carol Czerw. We would also like to welcome our new Treasurer, Janette Phillips. Janette comes to us as a Certified Public Accountant. We welcome both of you to the QCNC Board!

My final note pertains to the rising costs of our shows. The ribbons, trophies, food, judges and entries - all components associated with putting on specialty shows are more expensive. QCNC has been very lucky to have a wonderful membership group that continually sponsors and donates monetarily to help keep our shows running. More exclusively, I would like to thank Andrea and Kevin Cook who donated the Oggy Paddle board, Julie Fitser who hand-cut all the stained glass artistry, Albert & Mary Catherine Wadsworth for hand-weaving the chairs and table and Connie Sovie that hand-wove a throw blanket. We cannot do it without you, and I am honored to work with such a great Newfoundland community. Thank you to everyone for volunteering and hard work.

Laura Rader

VICTORY LANE NEWFS...DID THE IMPOSSIBLE QUEEN CITY NEWFOUNDLAND CLUB SPECIALTY, JUNE 4, 2023.

Saturday afternoon was a historic day for the Queen City Newfoundland Club by organizing our very first and very own AKC Specialty Show.

AKC informed Queen City Newfoundland Club that our first event which was Mentored was held successfully and we are now officially licensed for the holding of AKC Championship Conformation Point Shows!!

During this specialty, our focus was to serve our Newfoundland fanciers a wonderful specialty show. Exhibitors and spectators enjoyed the dedicated breed ring, separate grooming and RV space, the Newfies of all ages, the FABULOUS & MAGNIFICENT Trophies & Ribbons, an awesome basket raffle (thank you Andrea & Keven Cook for the Paddle Board), showing six times in four days, and our Annual meeting/Lunch. Our theme was Victory Lane Newfs and what a Victory it was!!

We were privileged to have Mrs. Ann Roth to judge this momentous show on Saturday. Each Newfoundland exhibitor was evaluated happily and thoroughly with a gentle touch and conscientious eye, as Mrs. Roth clearly expressed her message of devotion and appreciation for the Newfoundland Breed. It was such a delight for QCNC to have such a large Newfoundland entry and so much fun to see the 'promising' youngsters, the one and only courageous Veteran, Best Owner Handlers stand the test and the delightful specials come out and strut their stuff!

Thank you to everyone who made this show a great success!! Thank you to all those who sponsored the trophies and ribbons! Thank you to all those who donated to our basket raffle! A special thank you to Ms. Carol Brown who served as our first show chair then had to step down shortly before the show. We definitely missed you!

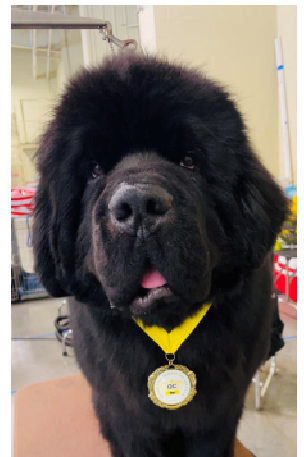

- CATHY RUBENS, SHOW CHAIR
