

# The Deborah in Me - Affirmation

**I am a woman of divine purpose.**

Like Deborah, I rise with courage, clothed in wisdom, strength, and dignity.

I will not shrink back, for the Lord is my guide and my confidence.

I speak with authority, yet with compassion.

I lead with vision, yet I follow the voice of God above all.

No barrier can hold me, no fear can silence me.

I am anointed to break the mold, to stand in the gap, and to reign with righteousness.

The Deborah in me is awake, alive, and unshakable.

**I rise. I lead. I reign.**
