

# Pricing Structure Overview

**Safe Makers is a registered 501(c)(3)** generously supported by private donations and corporate partners, with the purpose of fostering and fueling a culture and practice of safety onstage and backstage in Secondary Education, Higher Education, and Professional Theatre Industry work environments. We impact these communities through a number of services priced as follows:

## On-Site Evaluations

Evaluations involve interviews with staff and a thorough audit of the venue including backstage & storage spaces.

While the amount of time an evaluation takes is dependent on several factors, a conservative assumption is that Safe Makers can evaluate:

- A small venue with few backstage spaces in three hours.
- A moderately sized venue with some backstage and storage spaces in four hours.
- A large venue with several backstage and storage spaces in six hours.

A digital report and 2-hour follow up zoom meeting are included at no additional cost.

First School within district	Free
Half Day (less than 4 hours on-site)	\$1,400 + Travel/Lodging
Full Day (more than 4 hours on-site)	\$2,200 + Travel/Lodging

*NOTE: Pricing for On-Site Evaluations is per district. A full day may not exceed 10 hours.*

## Workshops

Costing for workshops is based on the length of the workshop. The cost is \$1000 per two-hour block +Travel/Lodging. Need-based discounts may be offered on a discretionary basis.

*NOTE: 15 min. break every 2 hours, 1-hour lunch every 4 hours. A workshop may not exceed 8 hours in one day.*

*Breaks and lunch not considered contact hours for billing purposes.*

## OSHA Training

In person training requires client to provide class space, seating for students, projection surface and projector. Cost includes processing of corresponding OSHA card and distribution of cards. Virtual training may be available, but is contingent on approval by the Occupational Training Institute of the instructor.

Class Type	Up to 20 Students	More than 20 Students
OSHA 10 General Industry	\$195 per Student + Travel/Lodging	\$4,000 + Travel/Lodging
OSHA 30 General Industry	\$495 per Student + Travel/Lodging	\$10,000 + Travel/Lodging

*NOTE: Class size minimum of 6, maximum of 40.*

## Program & Emergency Action Plan Development, Project Management, and Theatre Consulting

Pricing can be on a project basis or via retainer. Cost is based on desired scope and tailored to the desired outcomes and anticipated labor required to complete.
