

Mark Price Will & Trust Information

Last Will And Testament

2023-10-27

Being of sound mind I want to record the following:

I want all of my assets to go to my daughter Haley Christine Price. This is to include all my possessions, bank accounts, insurance, retirement and property (real and intellectual). In addition all rights to my life's work including but not limited to all rights and control to my Portrayals, recordings, messages, scripts, writings and manuscripts, etc.

If required, this Will is to be included in my Price Family Trust which, as part of my divorce settlement, was awarded, in full, to me. Any reference in the will or Trust to anyone other than my daughter Haley Christine Price is to be removed and or eliminated. The only one to receive my assets is my daughter Haley Christine Price.

I would like Mrs. Tracy West (my sister) (619-851-6826) to serve as Administrator to oversee the disbursement of the assets and protect Haley's rights.

If Mrs. Tracy West is unavailable or unwilling to serve in this capacity Please assign my Brother, Mr. David Price (760-305-2149) as the Administrator to oversee the disbursement of the assets and protect Haley's rights.

I am also fine with Tracy West and David Price working together and sharing the responsibility.

If there are sufficient assets at the time of my death I would like Haley to receive a stipend, the amount to be determined by the Administrator (s) until she reaches 25 years of age. At 25, Haley is to receive control of the remaining assets. I would like the Administrator (s) to use the assets to assist Haley with her education and/or medical needs.

This Last Will And Testament supersedes any and all previous Wills, Trusts, etc.
