“Performance stimulated new perspectives on St. Joseph. Retreat exercises built on this theme of exploring St. Joseph as man, husband, father, role model. Very impactful retreat.”

St Gabriels Men’s Retreat, Poway, CA

“Mark has an undeniable gift to captivate the listener's attention through his performance and portrayal of Biblical figures. He brings them to life and humanizes them for his audience. His presentation is grounded in sound Biblical scholarship and is educational and entertaining for a wide variety of audiences and age groups. The response has been fantastic.”

St Joseph’s Cathedral, San Diego, CA

“Mark Price did a moving performance of St. Francis. He acted in a way that St. Francis became so real to the audience. His delivery suited not only the adult group but the young as well who were also present during that time. He used simple words in his dialogue; not doing a "monologue" because he included audience participation. I am happy that the words said by St. Francis through Mark Price is a homiletic piece.”

St Kateri Tekakwitha, Lakeside, CA

“Our Parish always enjoys and feels inspired by all of Mark's visits. We look forward to any new performances and lectures that he creates in the future.”

“I want to say that I saw you perform this (Saint Joseph) at San Rafael a couple weeks ago and it moved me to get back to my faith in Christ. I have since then watched all your videos. They are very inspiring and insightful. Thank you for using your talent for God's will.”

Dane Thoreson, San Diego, CA

“You are a tremendous speaker. Everyone was greatly impressed and grateful to you for bringing this great message.”

“This command performance by Mark portraying Saint Joseph was the second appearance at our parish within one month. It drew a larger audience as word carried throughout our diocese that Mark Price was back for another performance following his portrayal of Saint Peter in early February. We can't wait to have him back a third time later this year for his portrayal of Saint Francis of Assisi. What a joy and blessing he is to our community. “

“This was Mark's third trip to our parish. Each time he brings new insight and people are delighted and inspired.”

“Mark, your portrayal of Simon Peter has left an indelible memory on everyone, especially the young children and middle-schoolers.

We truly look forward to having you back with us on March 19th for your portrayal of St. Joseph. Thank you immensely and may God continue to bless you as you so bless us!”

“Wonderful, intelligent and engaging speaker. So thankful he could come speak for us!!”
