JABAREE PREWITT

WVUA23, EVENING NEWS ANCHOR

Jabaree Prewitt is a native of Tuscaloosa and a graduate of the University of Alabama with a major in telecommunications and film.

He has been with WVUA 23 since February 2015 and serves as the news anchor for the 5:00 p.m., 7:00 p.m., and 10:00 p.m. broadcasts. He covers Alabama politics as well as Northport and Tuscaloosa City Council meetings each week.

When he's not working, Jabaree enjoys hanging with family and taking in what West Alabam has to offer. He is also on the board of directors for Temporary Emergency Services. Fun Fact: Jabaree is licensed to perform weddings, and had the privilege of officiating the wedding of good friend and former co-anchor Zach Tigert.

Through its intentional focus on mentorship across a lifetime, 100 Black Men of America's local chapters prepare young men and women to realize their highest potential, by creating viable solutions to address local and national issues affecting African American communities.

COLLEGIATE 100® CHAPTERS OF WEST ALABAMA

The Collegiate 100® is a campus-based student organization with its programmatic initiatives that support the development of social, emotional, and educational needs of youth who need positive role models in the communities in which they live.

The primary purpose of the Collegiate 100® program is to provide an avenue for 100 Black Men of America, Inc. chapters to continue their one-on-one and group mentoring to students as they matriculate from high school to college; thereby supporting the Mentoring The 100 Way Across a Lifetime initiatives.

College Town Consulting, LLC (CTC) is designed to provide a comprehensive approach to planning and implementation. CTC serves as a subcontractor to planning firms engaged primarily in the Urban Planning and Community Development sector. CTC is a minority and women-owned sole proprietorship incorporated in the State of Alabama with access to a network of nationwide independent contractors. CTC also serves as a prime contractor to government establishments, including municipalities, and the educational services sector comprising colleges and universities.

Core capabilities include:

Pre-Planning. Development. Engagement.

CTC focuses efforts around helping communities with both comprehensive and strategic pre-planning.

CTC has a passion for serving communities through research, grant writing, compliance, and leadership development.

CTC knows how valuable the voices of the people are, which is why we assist our clients with equitable community (public) engagement and facilitation.

PUREST WATER ON EARTH

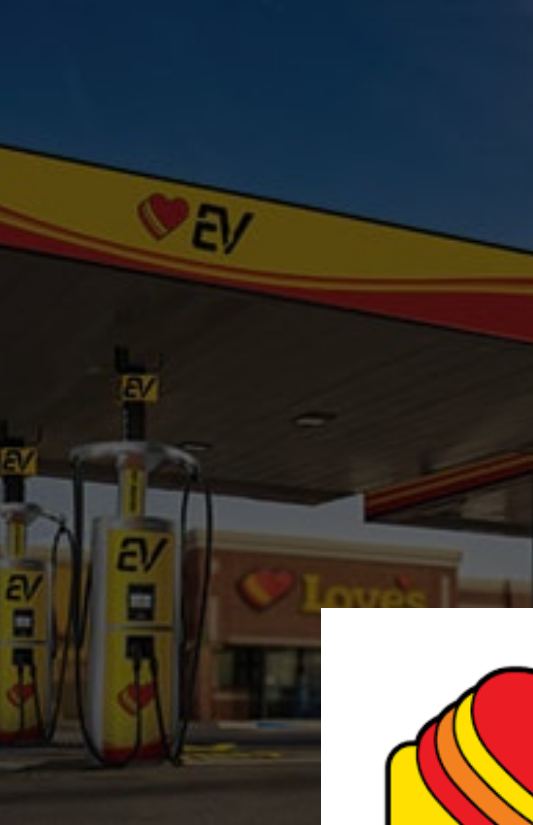

In the heart of Alabama lies a quiet town not known by many people. But deep in the small town of Autaugaville, Alabama lies a confined aquifer that holds Eleven86 Real Artesian Water.

Untouched by man for thousands of years, being filtered by rock and sand, has produced some of the purest water on Earth.

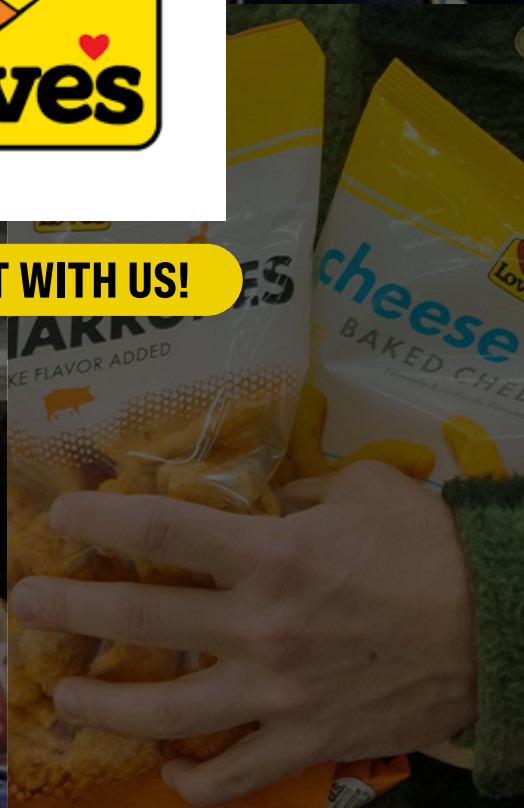

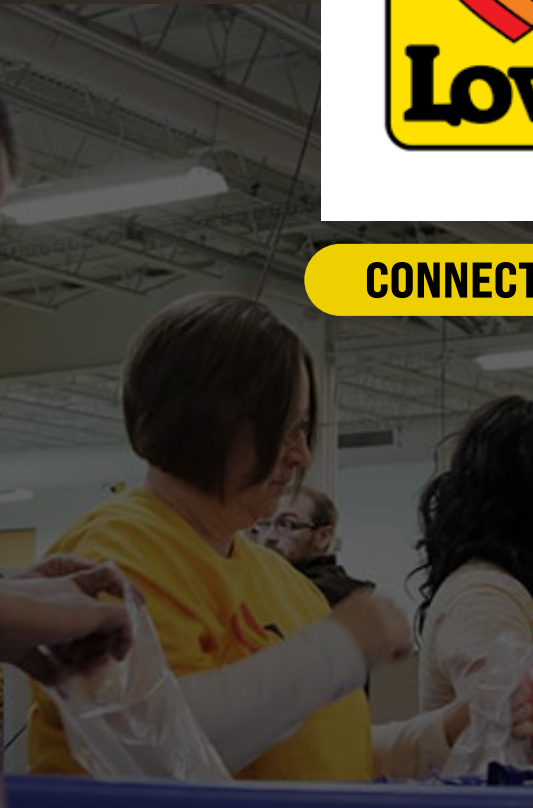

We have tapped into this aquifer to provide you with the freshest, purest, most delicious water. By not adding any fillers or additives we are able to give you the best water you have ever tasted.
