

# Reduce Costs

## Improve Customer Experience

# Insure With U-PIC

As of 2026, the average published rate to insure a package/parcel for every \$1000.00 in value was \$15.50 (with major US carriers). This rate has increased by 50%+ over the past five years and continues to grow.

**Insure your customer orders** with all carriers using U-PIC, and **save 50%-90%** when compared to carrier insurance or declared value costs.

## About U-PIC
