HIRING

Computer Science Teacher

The Arkansas Military and First Responders Academy, a tuition-free, college-preparatory, STEM-focused public charter school is looking to hire a science teacher for the 2023-24 school year. AMFRA will open in August with 140 students in the 9th grade and will expand by a grade each year until the first graduating class in 2026-27.

DESCRIPTIONS
We seek an engaging individual with a strong computer background capable of delivering the PLTW Computer Science course sequence in a high-energy school with a motivated faculty. Science offerings will expand each year until the school includes the full computer science curriculum (including AP CSP, AP CSA, and Cybersecurity).

REQUIREMENTS
Bachelor's degree required. Interviews are beginning immediately. Resumes are required and unofficial transcripts are helpful.
