SW19 was proud to host L'Arche Heartland core members for a special pickleball clinic filled with smiles, learning, and great rallies. We loved sharing the courts and the joy of the game together. A big thank you to Daryl, Cathie Hopkins, and Kyle Gardner for coaching and making the experience so welcoming—and a special shoutout to L'Arche Heartland for helping with our recycling. We're grateful for this meaningful partnership!

We were also thrilled to welcome Alloy Personal Training to SW19 for a day of free InBody scans and expert guidance on getting healthier and stronger—so our community can play better pickleball and stay injury-free. Thank you to the Alloy team for sharing your time, knowledge, and passion for helping everyone stay active and strong!
