KC & SW19 SHINE AT THE 2025 MILP NATIONAL CHAMPIONSHIPS

What an incredible week in Dallas! Huge congratulations to all KC and SW19 players who competed at the 2025 Dink Minor League Pickleball National Championships, the biggest team event in amateur pickleball.

Your energy, sportsmanship, and team spirit made us so proud—here are some of the standout moments:

- The Friday Guys brought the fun and the game—competing in full costume and winning bronze in 3v3.
- KC DUPR 50's team snagged a bronze medal.
- SW19 regulars Ashwini "Ash" Tadimala, Leah Hipple, and Melody Bona—who all got their start right here—earned silver in the 3v3 9's division.
- Ahmed's team battled hard and secured a strong 4th place finish in 3v3.
- Suparna G, Katie Lee McKee, and teammates brought home silver in the 3v3 13's division.
- Brett Barriman of KC competed under the spotlight on the Netflix's DUPR 22 team, making it all the way to the finals.

What a week. What a community. Congratulations to every single player who represented SW19 and Kansas City on the national stage!
