GHOULS, GRIT & GREAT PICKLEBALL

CLINE CREW SERVES UP HALLOWEEN FUN!

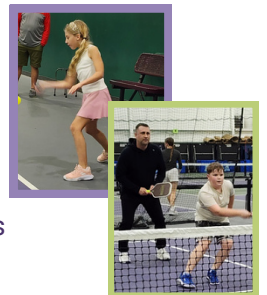

Our Sunday AM Beginner League wrapped up its 8-week session with a wickedly fun Halloween celebration! The Cline Crew brought both the dinks and the desserts for a festive potluck and awards ceremony that had everyone smiling. Huge shoutout to Jen and James Cline (pictured) for leading an amazing league full of energy, laughter, and learning. These picklers proved they can pickle and party!

KC STINGERS KIDS TRICK-OR-TREAT TEAM TOURNAMENT

The Bee Force and Buzz Patrol went paddle-to-paddle Saturday night in an epic youth showdown! Ten of our top young picklers battled through high-energy matches in the Halloween-themed KC Stingers Trick-or-Treat Team Tournament. After an electrifying NPL-style Team Breaker, Bee Force buzzed to victory by just a few points! Every player showed incredible sportsmanship, teamwork, and heart — both on and off the court.

Proceeds from this event went to the KC Stingers Youth Foundation, supporting pickleball scholarships for local kids. **Mark your calendars — the next kids' tournament hits the court December 20, 2025!**

Join us Thanksgiving weekend for a heartwarming day of movement, meaning, and community. Letters & Lobs combines the fun of pickleball with the power of human connection. Players of all ages and skill levels will come together for fun matches and a heartfelt mission — writing letters of encouragement to isolated seniors, hospitalized kids, veterans, and others who need a reminder that they matter.

Let's rally to spread joy, one lob and one letter at a time.

Because kindness—like pickleball—is better when shared!

GRINCH'S COACHING TIP OF THE WEEK (WITH AHMED)

This week's tip comes straight from the Grinch himself! Dressed for Halloween (with Sylvonna Singleton, Brandon Miller, and Amanda Miller), Ahmed's group proved that costumes and competition can go hand-in-hand.

"Forehand takes the middle? HA! Maybe in Whoville." Respect the X — if the ball's on your diagonal, it's yours. Even if it's your backhand. Even if your partner's drooling for it. Quit saying "forehand takes the middle" and start owning your space. Or, better yet, just play with Ahmed... he'll take everything!

New SW19 Merch Has Landed!

Just in time for the holidays (or your next league night), we've got fresh SW19 @ State Line gear — hats, visors, shirts, and more! Stop by the front desk to snag your favorites before they disappear.

Halloween Joke of the Week
