GOOD GAMES, GREAT PEOPLE & PLENTY OF PICKLEBALL!

VETERANS DAY

A Great Day on the Courts: Veterans Day Tournament Recap

What a turnout! A huge **THANK YOU** to everyone who came out for the Veterans Day Pickleball Tournament with Tier 1. We loved seeing so many familiar faces (and some new ones!) come together for a day of great competition, sportsmanship, and fun.

From exciting matches to plenty of laughs between games, it was a fantastic way to celebrate the pickleball community we love. Additionally, **proceeds from the tournament were dedicated to giving back to our veterans**. We're proud to be part of a community that comes together, not only for the love of pickleball, but also to support and give back to those who have served.

PRO TIP OF THE WEEK

Play the Ball, Not Your Opponent!

It's easy to get caught up in what your opponent is doing, but one of the best ways to improve your game is to focus on your own positioning and shot selection.
A few reminders:

- **Stay balanced and keep your feet moving.**
- **Watch the ball all the way through contact.**
- **Be patient instead of forcing a winner.**
- Reset when you're out of position rather than going for a risky shot.

Your challenge this week: Before going for a winner, ask yourself if you're in the right position to make the shot. Sometimes the smartest play is the one that keeps you in the point!
