WHAT A WEEK IN THE HIVE!

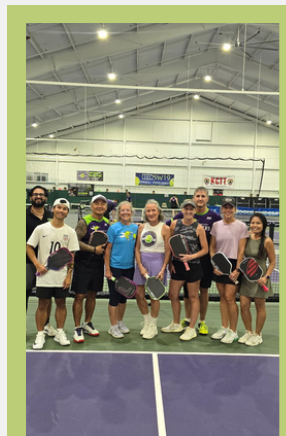

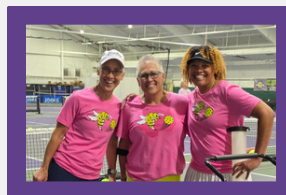

Thank you for making Stingers Week 2026 one to remember.

With more than 150 members of our pickleball community joining us throughout the week, Stingers Week once again reminded us why SW19 is so much more than a place to play—it's a community. From the 3rd Annual KC Stingers Kids Clinic and Beat the Pro Open Play to Training Camp and our 3rd Annual Team Breaker Tournament, every event was packed with smiles, learning, competition, and unforgettable memories.

It was equally special seeing so many members stop by simply to watch practices, meet the players, and cheer on the Kansas City Stingers as they prepare for their 2026 season, which begins July 23 in Chicago.

Thank you to everyone who came out, volunteered, competed, and supported our team. The energy you bring is what makes the hive so special.

WE HAVE A/C!
STAY COOL THIS SUMMER WHILE
IMPROVING YOUR GAME.

THREE SPORTS. ONE AMAZING COMMUNITY.

Saturday was one for the books at SW19. Our courts were buzzing with activity as three racquet sports shared the building at the very same time—pickleball, Red Ball Tennis, and table tennis. Nearly 75 new tennis players joined us through the Open Courts Initiative, a nonprofit led by David "Skip" Span whose mission is to make tennis welcoming and accessible for everyone. Using low-compression red balls on pickleball-sized courts, young players experienced the game in a fun and approachable way while enjoying the welcoming SW19 atmosphere. Meanwhile, our Kansas City Stingers Training Camp featured 18 players learning from elite instructors, while KCTT Table Tennis athletes sharpened their own skills nearby.
