**The Purple Affair** is The James M. Dixon Foundation's premier fundraising and major social event where advocates, caregivers, leaders, and organizations are honored. Its goal is to raise public awareness and corporate and individual donations to support the finding of a cure for Alzheimer's disease and related dementias (ADRD), support those living with the disease and their caregivers, and provide scholarships for students studying geriatrics, brain health, or neurology. Hosted by a diverse group of local businesses, corporations, and individuals, it involves celebrities, civic leaders, volunteers, and others who support The James M. Dixon Foundation's mission.

## HOW

Community organizations, associations, and corporations are invited to secure prime seating, extensive recognition, and prominent logo placement and support this event by being a sponsor. Make a lasting impact through scholarships, Foundation initiatives, caregiver support, and cutting-edge research with sponsor and parton packages from \$350 to \$50,000.

# THE JAMES M. DIXON FOUNDATION FOR ALZHEIMER'S RESEARCH & SUPPORT

## OVERVIEW

**The James M. Dixon Foundation** is a non-profit 501c3 charitable organization established to provide assistance to persons living with Alzheimer's disease, related dementias and their caregivers/partners. The Foundation was established with a primary goal of being a support to Caregivers and those living with Alzheimer's disease or a related dementia.

## MISSION STATEMENT

The James M. Dixon Foundation's Mission is to support research in an effort to eradicate Alzheimer's disease; increase awareness of the disease and its risk factors; provide information on preventative measures; support Caregivers; and enhance the lives of persons living with Alzheimer's disease.

## VISION STATEMENT

The James M. Dixon Foundation visions a world free from Alzheimer's disease. To that end, The Foundation works locally and nationally to increase awareness of Alzheimer's disease and the effects it has on persons suffering from the disease and those who care for them, especially those in underserved areas, through service, strategic giving, community engagement, mindful training, and policy development and support. This vision is being realized through The Foundation's ongoing initiatives, partnerships, and as commitments to The Emory University's Alzheimer's Disease Research Center, Morehouse School of Medicine, and local and national churches and other organizations.

# OUR IMPACT AT A GLANCE

## THE INTENTIONAL CAREGIVER

The Intentional Caregiver offers dialogue, tools, and resources to elevate the caregiving experience. Participants will discover strategies to simply enrich the caregiving journey. Participants will be able to join workshops, symposiums, support groups, and other offerings to gain valuable insights and skills.

## DADDY'S CLOSET

Daddy's Closet will operate in multiple locations across Atlanta, Georgia with plans to expand to other areas across the United States. It offers essential items for seniors, particularly those with dementia, who may find it challenging to afford or acquire these items. In collaboration with the Atlanta Airport Rotary Club, The Foundation launched the inaugural Daddy's Closet at Asbury Harris Epworth Towers in April 2024, with four additional locations scheduled to open before December 2024.

## TELL ME A BEDTIME STORY

Tell Me A Bedtime Story was created to bring the comfort of bedtime stories to adults with Alzheimer's disease and related dementias. These stories are read aloud, fostering a tranquil, soothing, and mindful environment before bedtime. The program has garnered listeners from over six countries and all age groups.

## FOOD INSECURITIES PROGRAM

Addressing food insecurities among caregivers, individuals with Alzheimer's disease and related dementia, seniors, and people with disabilities in Atlanta and the surrounding region has been a priority for The Foundation. Starting in 2022, we initiated efforts to combat food insecurities, particularly among home caregiver and their families. Our commitment to this cause has strengthened in 2024, with plans to significantly expand our reach and serve over 125 individuals and families.

## BRAIN HEALTH & CARE SYMPOSIUM

The Brain Health & Care Symposium is a complimentary event designed to educate caregivers, family members, and individuals impacted by dementia about maintaining health, awareness, prevention, and resources. The Symposium features expert guest speakers, inspirational and useful activities, live Q & A sessions, memory screenings, and more. On May 18, 2024, The Foundation will collaborate with other organizations to present the fourth Brain Health and Care Symposium, welcoming approximately two hundred participants.

## MEDICAL SCHOOL SCHOLARSHIPS

Offering scholarships to medical school students pursuing studies in brain health, gerontology, and neurology.
