

The best-rated Medicaid plans of 2023, per NCQA

Thirteen Medicaid plans in seven states received 4.5 star ratings from the [National Committee for Quality Assurance](#).

The committee published its 2023 health plan ratings Sept. 15. Plans are rated on a one to five star scale based on quality of care, member satisfaction and plans' efforts to improve.

No Medicaid plans received a five star rating. Here are the plans that received 4.5 and 4-star ratings from the committee:
