

# SNOW REMOVAL

## OUR MOTO IS: CLEAN IS SAFE!

***It is our responsibility to ensure your parking lots, sidewalks, parks are plowed and de-iced.***

Our staff are certified in Health and Safety providing you with 'worry-free' and on-time service.

### ***Snow Plowing:***

- 24 hour dispatch centre - 7 days a week, automatic service from first to last snowfall.
- Snow accumulation of 3cm or more on all paved and carts carrel areas will be cleared to the perimeter or to snow storage areas defined.
- We ensure that all sidewalks, stairs and emergency paths and/or walkways are always cleared upon 2cm of accumulation.

### ***Snow Removal – On-Site & Off-Site:***

- 24 hour dispatch centre - 7 days a week, automatic service from first to last snowfall.
- We are efficient and clean snow in a timely manner. We use our smallest bobcat to our largest front end loader, to ensure that your property is kept clean from snow and ice.

### ***De-icing Material Application\*:***

- State of the art salt trucks with anti-icing applications.
- 24 hour dispatch centre - 7 days a week, sidewalk crews, snow maintenance and de-icing services.
- Salt is ALWAYS carried whenever conditions warrant, eliminating snow and ice accumulation.
- Satellite & radar weather monitoring systems.
- Tree and plant protection.
- All fleet vehicles and equipment are with full GPS units.

\* Materials are extra to the monthly contract price.

# CONSTRUCTION / COMMERCIAL DEVELOPMENT WORKS

OUR PROCESS IS EASY BECAUSE WE ARE  
EXPERIENCED & QUALIFIED!

Gateway Landscape Group is an established company in the industry of construction management. Our process is simple because we are experienced and qualified. We bring value to each project through our understanding of construction technology, cost control and time management. For each project that we acquire we provide and coordinate the planning, the permit process, the design, the tendering, and most importantly the construction.

# RESIDENTIAL DESIGN BUILD

**WE DON'T ONLY BUILD DESIGN,  
WE BUILD RELATIONSHIPS!**

Gateway Landscape Group staff is comprised of a team of expert designers, estimators, project managers, site supervisors, and qualified trades specialized in residential, commercial, industrial, recreational, institutional and renovations projects. We have strong relationships with our designers, estimators, project managers, site supervisors, and trades and most importantly our customers!

## ***Our process includes:***

- 1. Site Planning:** Approval process by the local authorities.
- 2. Estimating:** Providing transparent, competitive pricing.
- 3. Conceptual Architectural Design:** With the use of vision boards and 3D drawings, we bring your design dream to life.
- 4. Development and Creation:** Full set of design and construction drawings, we pay attention to every detail pertaining to the project i.e. budget, implementation, and construction time lines.
- 5. Project Managers and Site Supervisors:** We provide each project with experience and certified leaders in project management.

***Your land is our canvas! Choose us to design your space!***
