OUR PRIDE RESIDES IN OUR RATE OF CUSTOMER RETURN!

Landscaping is one of the fastest growing trends in our economy!

Gateway Landscape Group has been an established incorporated company since 1999. We are a family run business that takes great pride in all of our projects of all sizes. Specialized in commercial, industrial and residential landscaping, our core strength is that we develop FIRST IMPRESSION landscapes across the Greater Toronto Area.

At Gateway we focus the performance and are committed in providing our clients with the highest level of service. We ensure to put forth the best service and the most cost-effective landscape maintenance. We have a 24 hour, 7days a week dispatch centre that is responsive at all times especially in the winter months. All fleets are fully equipped with GPS monitoring systems.

You Can Rest Assured:

All jobs are completed to detail, according to a structured time-line and within approved budgets.

Gateway Landscape Group is an Industry leader in horticulture certification.

We have state-of-the-art groundskeeping equipment that can handle any size job. When it comes to your groundskeeping, we have you covered!

LAWN CARE AND GROUNDKEEPING

WE ARE KNOWN AS TORONTO'S PREMIER GROUNDKEEPERS.

At Gateway Landscape Group, we understand the importance of appearances.

Our property maintenance team offers year-round comprehensive, professional 'worry-free' services that are carried out by skilled horticulturalists, licensed pesticide applicators, and delivered by trustworthy, respectful and well-trained staff.

Our Services Include:

***Professional Turf Care
Lawn, Soil + Pest Diagnosis
Licensed Insect, Fungus + Weed Control
Impeccable Flower-Bed Design + Seasonal Planting
Power Sweeping
All Aspects of Landscape Construction
Snow Removal, Sanding + Salting***

Garden Care

- Cultivating of all planting beds as required, maintaining a clean weed-free condition.
- Maintaining edges of all planted beds, leaving your grounds with a lasting first impression.

Spring & Fall Clean-up:

- Removal and disposal of all litter, debris, dead branches, leaves and plant material, from turf, trees and planting beds.
- Cultivating and maintaining edges of all trees, shrubs and planted beds for the growing season.
- Raking of all lawn areas where required to remove accumulated debris and loosen matted grass.
- After completion of clean-ups, a report will be presented to the property owner / manager for any concerns.

Known for our quality workmanship and attention to detail we are well-equipped to manage any project site.

PARKS & PLAYGROUND

EXPERTS IN EXPANSIVE PARK DEVELOPMENTS

Gateway Landscape Group is a pre-qualified park contractor across the GTA.

SNOW REMOVAL

OUR MOTO IS: CLEAN IS SAFE!

It is our responsibility to ensure your parking lots, sidewalks and parks are plowed and de-iced.

Our staff are certified in Health and Safety providing you with 'worry-free' and on-time service.

Snow Plowing:

- 24 hour dispatch centre - 7 days a week, automatic service from first to last snowfall.
- Snow accumulation of 3cm or more on all paved and carts carrel areas will be cleared to the perimeter or to snow storage areas defined.
- We ensure that all sidewalks, stairs and emergency paths and or walkways are always cleared upon 2cm of accumulation.

Snow Removal - On-Site & Off-Site:

- 24 hour dispatch centre - 7 days a week, automatic service from first to last snowfall.
- We are efficient and clean snow in a timely manner. We use our smallest bobcat to our largest front end loader, to ensure that your property is kept clean from snow and ice.

De-icing Material Application:

- State of the art salt trucks with anti-icing applications.
- 24 hour dispatch centre - 7 days a week, sidewalk crews, snow maintenance and de-icing services.
- Salt is ALWAYS carried whenever conditions warrant, eliminating snow and ice accumulation.
- Satellite & radar weather monitoring systems.
- Tree and plant protection.
- All fleet vehicles and equipment are with full GPS units.

We take IMMEDIATE precautions and dispatch a crew within moments of daytime snowfall.
