Plant Your Garden AND Help Friends of Peace Park Sheboygan!

*Buy your garden seeds from **Renee's Garden Seeds** and 20% of the order value will be donated to Friends of Peace Park Sheboygan*

Here's how it works: Simply go to www.reneesgarden.com and choose from the wide selection of seeds for heirloom and gourmet vegetables, cottage garden flowers and culinary herbs, special seed collections and great kitchen garden cookbooks.

At check out, just enter the code **FR202A** in the coupon code box on the checkout page, and that's it! Renee's Garden will send Friends of Peace Park Sheboygan a year-end check for 20% of all orders that use this fundraising code. Code expires December 31 each year.

This is a year-round, on-going fundraiser, so order regularly for spring, fall and holiday gifts. Spread the word to your friends and family!

A Note from Renee Shepherd

I am excited to be partnering with Friends of Peace Park Sheboygan to grow cash donations through our fundraising program. Here's a little background about my seed company:

At Renee's Garden, I offer only the varieties that are very special for home gardeners, based on great flavor, easy culture and exceptional garden performance in every climate zone. Our seeds are non-GMO and include my personal selection of time-tested heirlooms, certified organic varieties, the best international hybrids and classic open-pollinated varieties. I harvest and use the vegetables and herbs in my kitchen and cut the flowers to select the finest colors, forms and fragrances. Our varieties are tested and guaranteed for every major US climate zone.

Our individually written packets offer beautiful watercolor portraits, with personally written descriptions, complete growing instructions, a quick-view planting chart, growing tips, harvesting information and cooking ideas. Inside you'll find superior quality seed—the top germinating, reliable seed usually reserved for specialty growers. Renee's Garden is my practical way to spread the joy of gardening as a meaningful, productive and satisfying activity that connects us to each other and the earth. Please join me!
