Get started as a volunteer

Create your NGP VAN ActionID and connect with your campaign.

1. Create your free ActionID

ActionID is the login used for NGP VAN, VoteBuilder, MiniVAN, and OpenVPB phone banking.

Open the signup page: myaccount.ngpvan.com/CreateAccount

• Enter your email address, first and last name, and phone number.

• Choose a password that meets the requirements shown on the form.

• Accept the privacy policy and select **Create account**.

• Check your email and click the verification link to verify your account.

Already have an ActionID? Use your existing account. If needed, select **Forgot your password** on the login screen.

2. Choose your volunteer activity

Door knocking with MiniVAN
Download the MiniVAN app from the Apple App Store or Google Play. Sign in with your ActionID and enter the **list number** supplied by your campaign or county party organizer.

Phone banking with OpenVPB
Go to www.openvpb.com, sign in with your ActionID, and enter the **phone bank code** supplied by your organizer.

Working directly in VAN / VoteBuilder
Ask your campaign or party administrator to create your user access and send an invitation. Follow that invitation to connect your ActionID to the organization.

3. Contact your organizer for access

Creating an ActionID does not automatically grant access to a campaign database. Contact the campaign or county party organizer for your list number, phone bank code, or VAN invitation. Keep your password private.
