

Leah Norenberg's personal best musky (47.25") and biggest fish caught at the Eagle River Spring Classic! The fish was enough to land Justin and Leah a fourth place tournament finish, despite the tough conditions.

President's REPORT

As you read this message, you should be well into your musky season. Hopefully, you have had great luck catching big fish! Just a reminder, you can now enter your musky catches in our fish contest electronically. Just log on to our website billsmuskyclub.com tap the three bars in the top left corner and scroll down to "Musky Registration form. Then, tap either the E-Registration Form or the Printable PDF Form. Once you have filled out the online Jot Form page, tap submit, and I will receive the data via email and enter you into our contest. If you would rather print out the form, please mail it to our mailbox (P.O. Box 476 Schofield, WI 54476), and I will enter your fish into the contest that way.

In fact, you can also renew your membership online as well. Just log on to our website, tap the three bars in the top left corner, scroll down to Join Online, fill the appropriate form with your credit card information, and submit on the secure site. Otherwise, you can still print out a form and mail it with a check to our P.O. Box. All of these options are benefits provided by our webmaster, Rick Eyre, who has donated his time and expertise to create these wonderful electronic connections.

As we continue into the Fall months, please check out our events calendar to participate in our four remaining 2026 Bill's Musky Club outings. These events always involve camaraderie and other club benefits. We hope you fill your calendar with the all of the Club activities. As we move into the winter months, please note that our Christmas party (at Dale's Weston Lanes) will occur on the second Monday (December 14). Otherwise, all of the offseason speaker meetings (January through May) will occur on the third Monday at 7pm.

It is really incredible to think about all of the member benefits you receive for your \$10 annual fee. This money also goes to help fund our stocking program that has recently changed in 2026. Bill's Musky Club has now been given the green light to stock Lake Wausau again. Our plan for stocking muskies is for 500 fingerlings in the fall and 500 in the spring. Please understand that these fish are quite pricey (between \$15 and \$25). Your continued support is always a blessing to us, and we are proud to be given the opportunity to help rebuild the fishery again.

Thankfully, we believe that all is well in the club. Even our founder, Bill Hoeft, would be proud of our efforts to serve others. Please tell your family and friends to join the fun! Join Bill's Musky Club!

2026 OUTING UPDATES

Old Club Challenge vs. Muskellunge Club of Wisconsin (Pewaukee Lake)

On May 17, Bill's Musky Club fought hard on Pewaukee Lake and landed a short musky, caught by club officer, Tim Plevak. Unfortunately, MCW caught two legal fish over 30," winning the coveted Old Club Challenge Trophy. Regardless of the loss, we had a great time and enjoyed the wonderful camaraderie and hospitality provided by the host team (MCW). A special thanks to Scott Wilke for cooking lunch and Chuck Montgomery for the overnight home stay for Bill's members. See the short musky and team photo attached below.

Stump Challenge vs. 12 Apostles Musky Club (Stevens Point Flowage)

Bill's Musky Club traveled to Steven's Point to face 12 Apostles Musky Club (June 6). Bill's Musky Club retained the coveted Stump trophy winning the challenge against a very gracious and hospitable host. Catching muskies for Bill's Musky Club were Jeff Micholic (36, 35.75), Tim Plevak (34.5), Stan Bartsch (34), Don Kempen (34.25). A special thanks to The Waters Pub and Pier in Steven's Point for hosting the event and 12 Apostle's President, Butch Felkowszski for organizing the great food and raffle prizes.

Spring Challenge vs. Dave's Musky Club (Lake Tomahawk Park)

Bill's Musky Club worked hard (June 12-14) to catch a fish over the minimum 34 inches. Several undersized fish were caught by Bill's members including Jeff Micholic's 33.5 (tiger), 32.5, 31.25. Dave's Musky Club won the event with a 39" musky. The large event was well attended (June 13, Lake Tomahawk Park) with 65 members. A special thanks to Dave Allen, President of Dave's Musky Club for organizing the event and providing the food and raffles. Great camaraderie was enjoyed by all! See attached catches from Bill's Musky Club and the Coveted Spring Challenge trophy now in the hands of Dave's Musky Club.

Doug Grant, a Bill's Musky Club member, from the Muskellunge Club of Wisconsin club, caught these two beautiful Green Bay Muskies on May 24,25! Nice work, Doug!

INSIDE STORY

Leah and Justin Norenberg fished the Spring Classic Musky Tournament on Eagle River Chain (June 13, 14). It rained on the young husband/wife couple all weekend. It was cold and windy as well. The temperature dropped and the fish were sluggish.

Then Leah had the great idea of switching to very small baits. So we did. We hadn't seen a fish all morning until Leah switched her bait. It was a small plastic bait.

Ten casts later Leah got smoked by this 47.25" musky. The fish put up a huge battle and finally I netted it.

At the end of the day we took fourth in the tournament with that single fish. It was the biggest fish caught in the tournament. It was Leah's first top five tournament finish and her biggest musky to date. It was an incredible moment for both of us. We will never forget that day!

P.S. Justin is a local guide and Lifetime member of Bill's Musky Club.
