President's REPORT

As Bill's Musky Club eclipses our 60th year, members can proudly enjoy many club blessings! Bill Hoeft founded Bill's Musky Club in 1964, pioneering a musky club based on the foundations of camaraderie, conservation, and education. Sharing his passion for musky fishing with others grew the club in strength and numbers, and these common principles continue to grow the club today.

Indeed, some of the many club blessings include 7 free club outings where members can enjoy a free meal with other members while spending some quality time on the water with friends and family. This year we have fished with the three different clubs, including The Muskellunge Club of Wisconsin, Twelve Apostles Musky Club, and Dave's Musky Club. The fun participating for a traveling club trophy involves friendly competition and inter-club camaraderie. We always encourage our members to participate. Look to Facebook or our website for time and place details and join the fun.

Also, during the off-season (December through May) Bill's Musky will feature guest speakers at Dale's Weston Lanes on the third Monday of each Month. These guest speakers are top professionals that will often share valuable information to help increase your catch and feed the fire of anticipation and excitement for the next season. These speaker meetings are always free and open to the public.

Other club events include the Taste and Glow Balloon Rally in the Town of Stettin (July 12, 13), where the Musky Clubs Alliance Recon raffle boat will be on hand and volunteers from Bill's Musky Club will sell tickets as a fundraiser. Please take the opportunity to come out and join the fun. Volunteers will also be working for the Lions Club assisting the booth with food service. All are welcome to join us in this effort. Please give me a call if you want to join us.

In another club outing this fall we will sponsor the 2nd Annual Bill Melanson Youth Outing (Sept 28), where volunteer guides are needed to mentor youth. Other club outing include the Fall Outing (Sept 27-29), the Lake Wausau Stump Trophy Challenge vs. 12 Apostles (Oct. 5), and the Old Club "Blue Nose" Challenge vs Muskellunge Club of Wisconsin (Oct 25-26). Finally, the Annual Awards Banquet (April 25, 2025) featuring fish registration awards (two Fittante Taxidermy Replicas), the Jim/Lance Wroblewski Memorial youth prize giveaway, club raffle prizes, and fine food at the Central Wisconsin Expo and Convention Center in Rothschild (Cedar Creek).

We take pride in recognizing all the member catches in our Fish Registration contest (see page#). Each of the outing place winners and Division place winners will receive commemorative plaques at the 2025 Annual Awards Banquet. The winners of the largest All-Divisions and Junior Division muskies will receive a Free Fittante Taxidermy Replica! This is perhaps the best benefit of all! So, make sure you register you fish.

Call or email me with the details of your catch, and I will enter you in the contest.

All of these blessings are still available with your club membership at outstanding prices (\$10 adult, \$15 husband/wife, \$5 junior). Please take the time to renew your club membership and tell your friends about our amazing club benefits. Our Freshwater Fish Hall of Fame founder, Bill Hoeft, would certainly be proud of his legacy! Please help us to grow the club this season. As always, join the fun, join Bill's Musky Club!!

HODAG MUSKY CHALLENGE 2023

A huge SHOUT OUT to our long-time members John and Ben Ogiba for their 2nd place finish at the 2023 Hodag Musky Challenge sponsored by Shoeder's RV & Marine September 23-24, 2023.

The father/son team landed three fish to earn the \$2850 purse giving them the long awaited pay off. "We found a bucktail bite early, and we stuck with it and that's what paid off. In fact, after I raised the second fish on a bucktail, we came back to it, and Ben caught the fish throwing double tens," said John.

John Ogiba, father of Ben Ogiba said that the event was truly special because he was blessed with an opportunity to fish with his son.

Team Ogiba had fished the tournament for 12 consecutive years before their podium winning performance last year. The win, however, did not come easy. "We fished for 10 hours straight on Saturday in pouring rain. It was a long, tough day, but we didn't lose fish. We caught all three fish (38.25, 42, 36") on Saturday. As a matter of fact, I caught the very first fish of the tournament, eleven minutes after the start."

The three fish caught on Saturday by team Ogiba was enough to secure the second-place finish. "If we could have caught another 39-

MUSKY CLUBS ALLIANCE OF WISCONSIN

Bill's Musky Club is a member of the Musky Clubs Alliance of Wisconsin. The Alliance is an organization to which 24 different musky clubs belong.

The purpose of the alliance is to provide an organizational framework in which the clubs can share information and work together to improve the musky fishery in Wisconsin.

The Alliance meets on the first Saturday in April and November in Stevens Point, usually at the Stevens Point Moose Lodge. Meeting usually start at 10:00 a.m. Their web site is: <http://www.muskyclubsalliance.org>.
