President's **REPORT**

Hello friends,

Speaking for the Bill's Musky Club Board of Directors and Officers, we hope that you and your families have remained healthy and able to enjoy the summer of 2021, finding your own ways to "return to normal." Bill's Musky Club has found many ways to remain busy during the year of the pandemic, including, sponsoring speaker meetings, working sports shows, fishing Bill's Musky Club Outings, granting youth scholarships, and holding our 2021 Bill's Musky Club Annual Banquet at the Central WI Convention & Expo Center (Cedar Creek) where 140 members enjoyed a tremendous meal, great prizes, club awards, and amazing fellowship. In fact, we will look forward to hosting our 2022 banquet on Friday, April 22, 2022 at Cedar Creek, so mark your calendars now!

Indeed! Our club has continued to sponsor successful monthly speaker meetings at Dale's Weston Lanes since December 2019. Our attendance at these meetings has been fantastic, averaging nearly 50 members at each monthly event. Don't Forget! The new speaker meeting lineup begins December 13, 2021, and runs each month through May 2022 on the third Monday at 7PM at Dale's Weston Lanes.

An amazing opportunity awaits during the upcoming December 13, 2021, Speaker Meeting where we will pick four lucky Bill's Musky Club Raffle winners! You can become a winner with the purchase of our \$5 raffle ticket. 1st Prize includes a week stay in a cabin for 4 on the High Falls Flowage at Pines Acres Resort. 2nd Prize includes a half-day guided trip and musky lures from Ross's Sport Shop in Phillips, WI. 3rd Prize includes a beautiful

custom musky rod built by Kraemer Custom Rods. And 4th Prize includes a life-time membership to Bill's Musky Club. These raffle tickets help to raise necessary funds that the Ranger Boat raffle tickets provided for us in the past.

Our dedicated members also worked the Bill's Musky Club Kid's Casting Booth locally and around the state last year selling memberships and educating youth. All totaled we attended the Sports Show, the Camping and RV show, and the Musky Expo at the Central WI Convention & Expo Center (Cedar Creek in Rothschild). And, we also worked Bill's Musky Club booths at sports shows in Marinette and Merrill, WI.

Truly, we can be very proud of the many years of educating youth at various levels by the donation of scholarships to local high schools and the University of Wisconsin-Stevens Point College of Natural Resources. This year's Bill's Musky Club Scholarship winners included:

D.C. Everest High School	Emma Footit	\$300
Mosinee High School	Chase Kmosena	\$300
Wausau East High School	Ashley LaPorte	\$300
Wausau West High School	Cole Engebretson	\$300
UWSP College of Natural Resources	Luke Olson	\$500
UWSP College of Natural Resources	Hal Edwards	\$500
UWSP College of Natural Resources	Morgan Menke	\$500

Our membership also kept busy fishing at our Bill's Musky Club Outings in the months of May and June 2021. On Saturday May 22, 2021, some members traveled to Pewaukee Lake to participate in the first annual "Old Club" Spring Challenge. This historic event paired The Muskellunge Club of WI (founded 1953) with Bill's Musky Club (founded 1964), currently the two oldest existing musky clubs in the world. Members of both clubs saw many muskies, and Tim Loeffler and Brett Hoey of Bill's Musky Club were the only participants to actually catch a musky. But since neither club landed a legal fish (30"), the event ended in a virtual draw. Even though the fish didn't bite much that day, our members enjoyed the generosity of a picnic dinner and the fine camaraderie of the M.C.W. Club. We look forward to hosting a Bill's Musky Club vs. M.C.W. Club in Wausau this fall. Please continue to follow us on our Facebook page and frequent our website for more details.

At the Stump Trophy Challenge vs. 12 Apostles Musky Club on June 5, 2021, high skies and bright sunshine brought participants a tough bite. Fortunately, the clubs renewed old ties of friendship and enjoyed a great meal at Bahamas Lounge in Steven's Point. A total of three muskies were caught during the outing between the two clubs. Bill's Musky Club member Tim Plevak caught two of the three muskies, including a 47.125" stud. And, more importantly, his big catch proudly won the Stump Challenge Trophy for Bill's Musky Club, again!

Finally, the Spring Outing with Dave's Musky Club witnessed a beautiful Saturday (June 12, 2021) noon lunch at Lake Tomahawk Park and many laughs with Dave's club members from Kaukauna. Together, we registered four legal fish at the outing. Remarkably, all fish were caught by Charles Schauer of Bill's Musky Club. The amazing solo effort sealed the win for Bill's Musky Club and brought the trophy back to its rightful home.

You can schedule and plan to attend the upcoming calendar of events including the Fall Outing- Wisconsin River Challenge (September 24-26), Youth Outing (September 25), and Lake Wausau Outing- Stump Trophy Challenge (October 9). Also, join us for the "Old Club" Fall Challenge against M.C.W. in Wausau as event details become more available.

As you can easily see, Bill's Musky Club has remained active and vibrant in the past year. The club continues to grow in membership, and it truly exemplifies what our founder, Bill Hoeft, envisioned over 57 years ago. Again, thank you for continued support of Bill's Musky Club and good luck fishing!

Jeff Micholic, President — Bill's Musky Club

2021 CALENDAR OF EVENTS

Sep 24, 25 & 26

Fall Outing - Wisconsin River Challenge

- Registration: Please Register in person at the Saturday night get together at the Eagles Club
- Fishing Hours: 9/24/2021 at 12:01 a.m. to 9/26/2021 at 11:59 p.m.

MUSKY CLUBS ALLIANCE OF WISCONSIN

Bill's Musky Club is a member of the Musky Clubs Alliance of Wisconsin. The Alliance is an organization to which 24 different musky clubs belong.

The purpose of the alliance is to provide an organizational framework in which the clubs can share information and work together to improve the musky fishery in Wisconsin.

The Alliance meets on the first Saturday in April and November in Stevens Point, usually at the Stevens Point Moose Lodge. Meeting usually start at 10:00 a.m. Their web site is:

<http://www.muskyclubsalliance.org>.

If you have items that you would like the Musky Alliance of Wisconsin to discuss, please contact:

AWESOME MEMORIES

By Cassie Charlier

Scott and I started our fishing day with loading up our three kids ages, 9 (Katelyn), 7 (Austin) and 5 (Gavin) into the boat excited to be out on the water. After a few early catches of rock bass, a small walleye, a nice largemouth bass and a pike, the kids were excited to say the least.

After talking to another angler regarding his luck, I decided to put a pretty beat-up bucktail on. Coming around the island we were fishing off of, I said to Scott, "I have something". I had hooked into something but it wasn't putting up much of a fight, coming in pretty smooth. Then she surfaced! That's when the excitement in the boat kicked in! I realized quickly this was no small fish and started to request the "big net" from Scott. At that time I realized that my drag was not set appropriately and I had no control over the monster. She was peeling line easily, after multiple attempts to net her, she dove under the boat trying to give herself some slack. One last attempt from Scott to net her and we got her!

All while this was going on, our daughter Katelyn received a fast-paced education on trolling motors as the motor was left on during the excitement! The spotted musky we caught was 52.5" and weighed so much I was barely able to pick her up! She released amazingly and it's a memory the whole family will never forget! What a ride!

DREAM BOAT BECOMES REALITY

By Jeff Micholic

Pictured is Larry Slagoski, Bill's Musky Club-Director, and Jake Thompson, WI DNR-technician.

When the musky clubs of Central WI gathered at the 2018 roundtable event sponsored by the WI DNR, we discussed ways which we could best continue to support the efforts to manage and grow our musky population in the area. Tim Parks (Fish Biologist WI DNR-Wausau) and Jake Thompson, (Fish Technician WI DNR-Wausau) explained how fyke net surveys in the spring often presented challenges because of high water and strong currents on the various Wisconsin River flowages.

After brainstorming with all of the musky club representatives present, the idea to purchase an electro-shocking

boat became a topic for discussion. We learned from our discussion that only one such electro-shocking boat was shared by the Central Wisconsin DNR teams in a 5 county area. Often the teams would have to wait their turn when they needed assistance from the shared electro-shocking boat housed in Wisconsin Rapids.

Once the musky club's idea to purchase a new DNR Electro-Shocking Boat was proposed, we set up a meeting with the Central Wisconsin Region DNR Supervisor, Al Niebur, and the wheels to create the Electro-shocking "dream" boat were put into motion. Larry Slagoski of Bill's Musky Club had many years of experience dealing with boat companies and creating contracts, so he became the driving force in our combined efforts. Larry's long-time tenure as the Musky Clubs Alliance President helped him secure the boat contract from the Oquawaka Boat Company in Illinois and the motor contract from Mercury Marine in Fond du Lac, WI. He also delivered deals on the Karavan boat trailer and electric generator needed to power the electrode arrays and booms.

Now, three years later, after dealing with complications imposed by the COVID-19 pandemic, the Central Wisconsin Electro-Shocking "Dream" Boat can be seen in the picture above. Today, the boat is housed at the Wausau Branch Office of the WI-DNR and is currently working the various waters located in the Central Wisconsin region. Thanks to the generous support and funds from thirteen different Wisconsin musky clubs, the cooperation with the WI-DNR, and the expert coordination and direction of Larry Slagoski, our dreams to build a boat to help grow our population of muskies is now a reality.

HOOKSETTERS GUIDE SERVICE

Central Wisconsin's leading guide service for open water fishing and ice fishing along with bear and turkey hunting. With multiple guides and over 30 years of experience we are able to accommodate small or large groups on successful, educational, and enjoyable hunting and fishing expeditions. You can find us on the web at www.hooksetters.biz or check out my Facebook page at Phil Schweik. Veterans get a 10% discount. Thank you!

Contact: **715-693-5843**
or on the web at: www.hooksetters.biz

We don't just make a fish replica,
We create a replica
of **YOUR** fish!

See us at
the Milwaukee
& Minnesota
musky expos!

For unsurpassed, state-of-the-art, **custom-created** replicas from an artist with more than **40 years** experience, with a reputation for "matching the catch," there's really only one choice.

TAXIDERMY

Capture the moment

"Joe Fittante is the only taxidermist I have found who can accurately reproduce the true colors and markings of a living musky. His painting technique separates him from the rest."
