ARTICLE III

PURPOSES; RESTRICTIONS

Section 1. Purposes. This Declaration is being made to establish separate individual parcels from the Condominium Property, to which fee-simple interests may be conveyed; to establish a Unit Owners' Association to administer the Condominium; to provide for the preservation of the values of Units and the Common Elements; to provide for and promote the benefit, enjoyment and well being of Unit Owners and Occupants; to administer and enforce the covenants, easements, charges and restrictions hereinafter set forth; and to raise funds through assessments to accomplish these purposes.

Section 2. Restrictions. The Condominium Property shall be subject to the following restrictions:

(a) **Unit Uses.** Except as otherwise specifically provided in this Declaration, no Dwelling Unit shall be used for any purpose other than that of a residence and purposes customarily incidental thereto, and no Garage Unit may be used for any purpose whatsoever other than the storage of vehicles and/or personal effects in connection with the residential use of a Dwelling Unit which is either owned by the Unit Owner of the Garage Unit in question, or occupied by the Occupant of the Garage Unit in question, and in no event may a Garage Unit be used as a residence. Notwithstanding the foregoing: (i) professional and quasi-professional Occupants may use a Dwelling Unit as an auxiliary or secondary facility to an office established elsewhere; (ii) an Occupant maintaining a personal or professional library, keeping personal business or professional records or accounts, or conducting personal business or professional telephone calls or correspondence, in or from a Dwelling Unit, is engaging in a use expressly declared customarily incidental to principal residential use and is not in violation of these restrictions; (iii) it shall be permissible for the Declarant to maintain, during the period of its sale of Units, one or more Units as sales models and offices and/or for storage and maintenance purposes; and (iv) one or more Units may be maintained for the use of the Association in fulfilling its responsibilities.

(b) **Common Elements Uses.** The Common Elements (except the Limited Common Elements and Exclusive Use Areas) shall be used in common by Unit Owners and Occupants and their agents, servants, customers, invitees and licensees, in accordance with the purposes for which they are intended, and as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of Units, provided, however, that unless expressly provided otherwise herein, no Common Elements (including the Limited Common Elements and Exclusive Use Areas) shall be used for any purpose other than the health, safety, welfare, convenience, comfort, recreation or enjoyment of Unit Owners and Occupants, subject to such rules and regulations as may from time to time be promulgated by the Board, which shall, among other things, regulate open fires and prohibit temporary buildings or structures.

(c) **Limited Common Elements Uses.** Except as specifically provided otherwise herein, those portions of the Common Elements described herein and/or shown on the Drawings as Limited Common Elements shall be used and possessed exclusively by the Unit Owners and/or Occupants of the Unit or Units served by the same, subject to the restrictions on use of Common Elements and Limited Common Elements set forth in this Declaration and such rules and regulations as may from time to time be promulgated by the Board, which shall, among other things, regulate open fires and prohibit temporary buildings or structures.

(d) **Exclusive Use Areas Uses.** In the event that any Exclusive Use Area is designated by the Board of Directors for the exclusive use of one or more Units, then such Exclusive Use Areas shall be used and possessed exclusively by the Unit Owners and Occupants of the Unit or Units to which such area is designated, until such designation is changed by the Board, in accordance with the purpose for which such Exclusive Use Area is intended, and subject to such rules and regulations as may from time to time be promulgated by the Board including, without limitation, the charging of a fee, one-time or periodic, for such designation, and the right to terminate such designation.

(e) **Visible Areas.** Nothing shall be caused or permitted to be hung or displayed on the outside or inside of windows (except inoffensive drapes, blinds or curtains or other window treatment) or placed on the outside walls of a building or otherwise outside of a Unit, or any part thereof, and no sign (except those of the Declarant), awning, canopy, shutter or (to the extent that such limitation is not prohibited by law) television or citizens' band or other radio antenna or transmitter, or any other device or ornament, shall be affixed to or placed upon the exterior walls or roof or any part thereof, or in or on a patio, balcony or open area unless authorized by the Board, and subject to such rules and regulations as the Board may adopt from time to time. The Board may designate locations for antennae, and may require coverings for such devices, to the extent not prohibited by law. In this regard, see subparagraph (p) below.

(f) **Nuisances.** No noxious or offensive activity shall be carried on in any Unit, or upon the Common Elements, nor shall either be used in any way or for any purpose which may endanger the health of or unreasonably disturb any Occupant. The Board may, if it determines that an owner has allowed the Limited Common Elements appurtenant to a Unit to become unsightly, come on the Limited Common Elements to clean debris and maintain any landscaping, and charge the owner the cost thereof (plus any other fees and penalties assessed pursuant to the Rules and Regulations of the Board in connection therewith), which shall become a special individual unit assessment against such Unit.

(g) **Vehicles.** The Board may promulgate regulations restricting the parking of automobiles, inoperable vehicles, trucks, boats and recreational vehicles on the Common Elements, (including, without limitation, Limited Common Elements), and may enforce such regulations or restrictions by levying fines or enforcement charges, having such vehicles towed away, or taking such other actions as it, in its sole discretion, deems appropriate.

(h) **Renting and Leasing.** No Unit or part thereof, unless the same is owned by the Association, shall be rented or used for transient or hotel purposes, which is defined as: (i) rental for any period less than thirty (30) days; (ii) rental under which occupants are provided customary hotel services such as room service for food and beverages, maid service, the furnishing of laundry and linen, busboy service, and similar services; or (iii) rental to roomers or boarders, that is, rental to one or more persons of a portion of a Unit only. No lease may be of less than an entire Unit. No Garage Unit may be leased or sublet to any Person other than the Association or a Unit Owner or Occupant of a Dwelling Unit. Any lease agreement executed after the submission of a Unit to the Condominium shall be in writing, shall provide that the tenant shall be subject in all respects to the provisions hereof, and to the rules and regulations promulgated from time to time by the Board, and shall provide that the failure by the lessee to comply with the terms of the Condominium Organizational Documents and lawful rules and regulations shall be a default under the lease. Whether or not such provisions are included in a lease of a Unit, any tenancy of a Unit shall be subject to termination for a violation by the

occupants of any covenant, condition and restriction contained in this Declaration, or the Bylaws of the Association, or the rules and regulations of the Association, all as lawfully amended from time to time. All such tenancies shall be subject to termination by legal proceedings in eviction brought by the Association pursuant to Ohio Revised Code Chapters 5321 and 1923, as agent for the and in the name of the Unit Owner, for any such violation, provided that the Association give the Unit Owner at least ten (10) days written notice of its intent to bring such an eviction proceeding. The costs of any eviction action brought by the Association, including reasonable attorney's fees, shall be a special individual unit assessment against the Unit, enforceable in the same manner as all other assessments.

(i) **Signs.** No sign of any kind shall be displayed to the public view on the Condominium Property except: (i) on the Common Elements, signs regarding and regulating the use of the Common Elements, provided they are approved by the Board; (ii) on the interior side of the window of a Unit, one professionally prepared sign advertising the Unit for sale or rent; (iii) on the Common Elements and model Units, signs advertising the sale of Units by the Declarant during the initial sales/rental period, which shall continue until all Units have been sold to parties unrelated to the Declarant; and (iv) such other signs and in such other locations as may be approved by the Board from time to time.

(j) **Replacements.** Any building erected to replace an existing building containing Units shall be of new construction, be of comparable size, design and construction to that replaced, and shall contain a like number of Units of comparable type and size to the Units in the building replaced.

(k) **Structural Integrity.** Nothing shall be done in any Unit, or in, on or to the Common Elements, which may impair the structural integrity of any improvement.

(l) **Building on Easements.** Within the easements for the installation and maintenance of utilities and drainage facilities no structure, planting or other material (except such as exist at the time of this Declaration) shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utility lines or which may change the direction of the flow of drainage channels in the easements or which may obstruct or retard the flow of water through drainage channels in the easement areas. The utility facilities within the easement areas shall be subject to the right of the Association to maintain the same, and its right to delegate that right to a public authority or utility.

(m) **Animals.** Except as hereinafter provided, no animals, livestock or poultry of any kind shall be raised, bred or kept in any Unit or on the Common Elements. Notwithstanding the foregoing, a reasonable number of cats, dogs and other reasonable household domestic pets, not bred or maintained for commercial purposes, may be maintained in a Unit, provided that: (i) no animals shall be permitted in any portion of the Common Elements except on a leash (not longer than six feet in length) maintained by a responsible person; (ii) the permitting of animals in Units and/or on the Common Elements shall be subject to such rules and regulations as the Board may from time to time promulgate, including, without limitation, the right to prohibit pets entirely, the right to place limitations on the size, number and type of such pets, and the right to levy fines and enforcement charges against persons who do not clean up after their pets; and (iii) the right of an Occupant to maintain an animal in a Unit shall be subject to termination if the Board, in its full and complete discretion, determines that maintenance of the animal constitutes a nuisance or creates a detrimental effect on the Condominium or other Units or Occupants.

(n) **Conveyances.** Each Unit shall be conveyed as a separately designated and legally described freehold estate subject to the terms, conditions and provisions hereof. The undivided interest of a Unit in the Common Elements shall be deemed to be conveyed or encumbered with the Unit even though that interest is not expressly mentioned or described in the deed, mortgage or other instrument of conveyance or encumbrance.

The right of a Unit Owner to sell, transfer or otherwise convey that owner's Unit is not subject to any right of first refusal, and any Unit Owner may transfer that owner's Unit free of any such limitation. Except with regard to leases addressed in the foregoing subparagraph (h), no Unit Owner of a Garage Unit may sell, transfer or otherwise convey that owner's Garage Unit to anyone other than another Unit Owner. To enable the Association to maintain accurate records of the names and addresses of Unit Owners, each Unit Owner is required, at the following times, to provide the Association (by delivery to the office of the Association or to any member of the Board) written notice of the name, home address, home and business mailing addresses, and the home and business telephone numbers of the Unit Owner and all Occupants of the Unit and the name, business address and business telephone number of any person who manages the Owner's Unit as an agent of that Owner:

- (i) within thirty (30) days after the Unit Owner accepts delivery of a deed to a Unit;
- (ii) within thirty (30) days after a change in any of the above-described information; and
- (iii) at any time that the Board requests verification or updating of the above-described information.

Each Unit Owner shall provide to a purchaser of that owner's Unit a copy of the Condominium Organizational Documents and all effective rules and regulations in such Owner's possession.

(o) **Discrimination.** No action shall at any time be taken by the Association or its Board which in any manner would discriminate against any Unit Owner in favor of another.

(p) **Architectural Control.** Except for improvements constructed by the Declarant, or as specifically permitted herein, no building, fence, wall, sign or other structure shall be commenced, erected or maintained upon the Condominium Property, or any part thereof, nor shall any exterior addition to or change or alteration therein (including, without limitation, replacement of, or repainting the exterior of, doors and/or windows) be made, until the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing by the Board or its designated representative, as to lawfulness and appropriateness, and as to harmony of external design, color and location in relation to surrounding structures and topography. In the event the Board, or its designated representative, fails to approve or disapprove such plans and specifications within sixty (60) days after they have been submitted to it, approval will not be required and these provisions will be deemed to have been fully complied with. The Board may condition such approval upon the requesting Unit Owner's agreement to maintain the same, and such agreement shall be binding upon the Unit Owner and the Unit Owners successors in ownership of the Unit, notwithstanding any provision of the Condominium Organizational Documents to the contrary.

(q) **Arbitration.** In the event of any dispute between Unit Owners as to the application of these restrictions or any rule or regulation promulgated by the Board, the party aggrieved shall submit a complaint in writing to the Board specifying the dispute. The Board shall set a time, date and place for a hearing thereon within sixty (60) days thereafter, and give written notice to each party thereof no less than three days in advance. The Board shall thereupon hear such evidence on the dispute as the Board deems proper and render a written decision on the matter to each party within thirty (30) days thereafter. No action at law may be instituted by either party to such a dispute unless arbitration pursuant hereto has first been had.

(r) **Sexual Predators.** No Unit, or any portion thereof, may be occupied for any purpose or for any period of time by any person who is classified, labeled or otherwise designated under applicable sections of the Ohio Revised Code, as amended from time to time, as a "sexual predator" (or any replacement or substitute term or variation therefore resulting from any amendment to applicable sections of the Ohio

Revised Code); provided, however, that the foregoing prohibition is not intended to, nor shall it be interpreted to, create a duty on behalf of any Unit Owner or Occupant to inquire about, or take any affirmative action to determine, the status of any tenant, Occupant, guest, invitee or contractor as a "sexual predator". Any occupancy of any portion of a Unit by a "sexual predator" shall constitute a noxious and/or offensive activity for the purposes of subsection (f) of this Section.

ARTICLE IV

IMPROVEMENT DESCRIPTIONS

The Dwelling Units are situated in twenty-two (22) multi-story buildings that have concrete spread footings and concrete block foundations with concrete slabs on grade; wood frames; exteriors comprised of a combination of brick veneer and vinyl siding; and sloped roofs with asphalt composite shingles. The Garage Units are situated within five (5) single-story parking structures that have concrete spread footings and concrete block foundations with concrete slabs on grade; wood frames; exteriors comprised of vinyl siding; and sloped roofs with asphalt composite shingles. The Units are located as shown on the Drawings, and have direct access to a publicly dedicated right-of-way or to the Common Elements which have direct access to a publicly dedicated right-of-way. As of the date of this Declaration, the Condominium also includes the following improvements as part of the common elements: community building; outdoor swimming pool; one or more private drives; thirty-six (36) carports and green and landscaped areas.

ARTICLE V

UNITS

Section 1. Unit Designations. The Dwelling Units are designated on the Drawings by a number corresponding to the numerical portion of the Unit's street address followed by two letters of the alphabet corresponding with the street name portion of the Unit's street address (e.g. the Unit having a mailing address of 3325 Heritage Glen Drive will be designated Unit 3325HD). Each Garage Unit will be designated by the capital letter "G" followed by a number. The table which is attached hereto and incorporated herein as **Exhibit E** sets forth: the Unit number; the approximate area in square feet of each Unit (computed on a gross basis measured from the interior surfaces of exterior walls and of common demising walls); the par value assigned to each Unit; and each Unit's undivided interest in the Common Elements stated as a percentage.

Section 2. Composition of Units.

(a) **Unit Composition.** Each Unit consists of the space in the building designated by that Unit's designation on the Drawings that is bounded by the interior surfaces of the most interior structural members of the Unit's perimeter walls, floors and ceilings, all projected, if necessary by reason of structural divisions such as interior walls and partitions, to constitute a complete enclosure of space. Without limiting the generality of the foregoing, each Unit shall include:

(i) the decorated surfaces, including paint, lacquer, varnish, wallpaper, tile, carpet, hardwood, and other finishing material applied to floors, ceilings, and interior and perimeter walls and carpets, and the drywall, paneling and other finishing material attached to the perimeter walls;

(ii) all windows, screens and doors, including storm doors and windows, if any, and including the frames, sashes and jambs and the space occupied thereby, and the hardware therefor;

(iii) all fixtures and appliances installed for the exclusive use of that Unit, commencing at the point of disconnection from the structural body of the building and from utility pipes, lines or systems serving the entire building or more than one Unit thereof, including, without limiting the generality hereof, built-in cabinets, dishwashers, garbage disposal units, refrigerators, stoves and hoods, furnaces and air-conditioning

units, and components thereof, if any, (even if located outside of the bounds of the Unit), serving only that Unit;

(iv) all control knobs, switches, thermostats and electrical outlets and connections affixed to or projecting from the walls, floors and ceilings which service either the Unit or the fixtures located therein, together with the space occupied thereby;

(v) all interior walls, that are not necessary for support of the structure, and all components thereof and all space encompassed thereby; and

(vi) all plumbing, electric, heating, cooling and other utility or service lines, pipes, wires, ducts or conduits which serve either the Unit or the fixtures located therein, and which are located within the bounds of the Unit, or within the exterior walls of that Unit;

excluding therefrom, however, all of the following items located within the bounds of that Unit:

(x) any structural element of the building contained in interior walls; and all plumbing, electric, heating, cooling and other utility or service lines, pipes, sump pumps and accessories thereto, wires, ducts and conduits which serve any other Unit.

(b) **Unit Sizes; Locations and Components.** The approximate sizes of the units are set forth on **Exhibit E**. The locations of the Units are set forth on the Drawings. The Developer reserves the right to modify interior features.

Section 3. Relocation of Boundaries of Units and Limited Common Elements.

Notwithstanding anything in the Condominium Act to the contrary, Unit Owners are hereby prohibited from relocating the boundaries between adjoining Units and appurtenant Limited Common Elements and reallocating the undivided interests in the Common Elements appurtenant to those Units pursuant to the procedures set forth in Section 5311.031 of the Condominium Act.

ARTICLE VI

COMMON AND LIMITED COMMON ELEMENTS

Section 1. Common Elements - Description. All of the Condominium Property, including all of the land and all improvements thereon and appurtenances thereto, except those portions labeled or described herein or in the Drawings as a part of a Unit, are Common Elements.

Except for easements and rights for maintaining sales and marketing facilities and for repairing and completing improvements in the Condominium, and except in its capacity as a Unit owner of unsold Units, the Declarant shall not retain any interest in, or have any other right to, any portion of the Common Elements.

Section 2. Limited Common Elements - Description. Those portions of the Common Elements that are labeled or designated "LCE" or "Limited Common Elements" on the Drawings, are Limited Common Elements. In the case of Limited Common Elements which are not clearly designated on the Drawings as being Limited Common Elements to one or more specific Units, then those Limited Common Elements are hereby designated as Limited Common Elements to the Unit or Units to which the Limited Common Element in question provides direct access, or to the Unit or Units having direct and exclusive access to the relevant Limited Common Element. For each Dwelling Unit, the Limited Common Elements appurtenant to that Dwelling Unit consist of the following, whether or not they are labeled as such on the Drawings: immediately adjacent patio or balcony, and, where applicable, the breezeway providing access to the upper level Dwelling Units in that building. Some Dwelling Units also have one or more carports assigned thereto as a Limited Common Element. Garage Units have no Limited Common Elements. All such Limited Common Elements are reserved for the exclusive use of the owners and Occupants of the Unit(s) designated to be served by the same.

Section 3. Undivided Interest. The undivided interest in the Common Elements of the Unit is reflected in the table set forth in **Exhibit E** and is based upon each Unit's relative par

value, which is also reflected in the table in Exhibit E (where necessary one or more of the Garage Units has been assigned a slightly higher percentage interest so that the sum of all percentage interests equals exactly 100%). The Common Elements shall be owned by the Unit Owners as tenants in common, and ownership thereof shall remain undivided. No Unit Owner may waive or release any rights in the Common Elements. Further, the undivided interest in the Common Elements of a Unit shall not be separated from the Unit to which it appertains. Any attempted conveyance, encumbrance, judicial sale or other transfer of a Unit Owner's fee interest in Common Elements will be void unless the Unit to which such interest is allocated is also transferred.

Section 4. Limited Common Elements - Reallocation

Notwithstanding any provision in the Condominium Act to the contrary, rights to the use of Limited Common Elements may not be reallocated between or among Dwelling Units by an amendment to the Declaration pursuant to the procedures established in Section 5311.032 of the Condominium Act. Limited Common Elements which are appurtenant to a Dwelling Unit may not be reallocated to a Garage Unit.

Section 5. Construction of Improvements in Common and Limited Common Elements.

Notwithstanding any provision in this Declaration to the contrary, to the extent not prohibited by Ohio Law and subject to such rules as the Board may adopt, the Board may authorize the use of Limited Common Elements appurtenant to a particular Unit to be used for the construction of open, unenclosed patios, hedges, decks, fences, sod, landscaping or similar improvements provided that:

- (a) All requirements of subsections (e) and (p) of Article III, Section 2, above, are complied with;
- (b) All such improvements are insured and maintained by the owner of the Unit to which such Limited Common Elements are appurtenant; and
- (c) Such obligations to insure and maintain are memorialized in an agreement prepared at the direction of the Board (but at the expense of the requesting Unit Owner) and recorded in the chain of title to the Unit so that all successors in title shall have notice that the insurance and maintenance of such improvements are not the responsibility of the Association.

ARTICLE VII

UNIT OWNERS' ASSOCIATION

Section 1. Establishment of Association. The Association has been formed to be and to serve as the Unit Owners' association of the Condominium. The Declarant is presently the sole member of the Association.

Section 2. Membership. Membership in the Unit Owners' Association shall be limited to the Unit Owners, and every Person or entity who is or becomes a record owner of a fee or undivided fee-simple interest in a Unit is a Unit Owner and shall be a member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separated from ownership of any Unit, and transfer of a Unit shall automatically transfer membership to the transferee.

Section 3. Voting Rights. Each Unit Owner shall be entitled to one vote for each Dwelling Unit owned in fee simple, and a proportionate part of a vote for ownership of an undivided fee-simple interest in a Dwelling Unit, to be voted in any matter to be voted upon by the Unit Owners; provided, that unless timely challenged by an owner of a fee simple interest in a Dwelling Unit, any owner of a fee simple interest in that Dwelling Unit may cast the entire vote with respect to that Dwelling Unit. No votes shall be associated with Garage Units. Mere ownership of a Garage Unit shall neither increase nor decrease the voting power that a Unit Owner is entitled as a result of the Unit Owner's ownership interest in a Dwelling Unit. Unit

Owners who own only an interest in a Garage Unit and no interest in a Dwelling Unit shall not be entitled to vote upon matters placed before the Unit Owners for a vote.

Section 4. Board of Directors. The Board initially shall be those three (3) persons named as the initial Directors pursuant to the provisions of the Articles, or such other person or persons as may from time to time be substituted by Declarant. No later than sixty (60) days after Units to which 25% of the undivided interests in the Common Elements appertain have been sold and conveyed by the Declarant, the Unit Owners shall meet and a new Board will be elected with the Unit Owners other than Declarant having the right to elect one (1) of the three (3) new Directors and the Declarant retaining the right to appoint the remaining two (2) Directors. These three (3) Directors shall serve until the meeting described in the next paragraph.

Within sixty (60) days after the earlier of (a) three (3) years from the date of the establishment of the Association, and (b) the sale and conveyance, to purchasers in good faith and for value, of Units to which 75% of the undivided interests in the Common Elements appertain, the Association shall meet and from and after that date the Board shall consist of seven (7) Directors. At that meeting, a new Board will be elected (at which time control of the Association shall be considered to be "turned over to the Unit Owners") and all Unit Owners, including the Declarant, shall elect the seven (7) new Directors. The persons so elected shall take office at the end of the meeting during which they are elected and shall, as soon as reasonably possible, appoint officers. The terms of the seven (7) Board members shall be staggered so that the terms of at least one-fifth (1/5) of the Directors will expire and successors be elected at each annual meeting of the Association (i.e., the terms of two (2) of the Board members will expire and their successors will be elected at two out of every three consecutive annual meetings of the Association, with the term of three (3) of the Board members expiring every third year). Thereafter, at such annual meetings, successors to the Board members whose terms then expire will be elected to serve three-year terms.

Notwithstanding the foregoing, Declarant shall have the right at any time to waive its right to select one or more Directors or to vote in an election of Directors.

Section 5. Authority. The Board shall have all authority to manage, maintain, repair, replace, alter and improve the Common Elements and assess and collect funds for the payment thereof, and do all things, and exercise all rights provided by the Condominium Organizational Documents, or the Condominium Act, that are not specifically reserved to Unit Owners, including, without limitation:

(a) Hire and fire managing agents, attorneys, accountants, and other independent contractors and employees that the board determines are necessary or desirable in the management of the Condominium Property and the Association;

(b) Commence, defend, intervene in, settle, or compromise any civil, criminal, or administrative action or proceeding that is in the name of, or threatened against, the Association, the Board, or the Condominium Property, or that involves two or more Unit Owners and relates to matters affecting the Condominium Property; provided however, that, except for (i) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens), the Bylaws, and reasonable rules and regulations adopted by the Board; (ii) the imposition and collection of Assessments; (iii) proceedings involving challenges to ad valorem taxation; or (iv) counterclaims or cross-claims brought by the Association in proceedings instituted against it, the Association may not commence a legal proceeding or action without the affirmative approval of Owners exercising not less than seventy-five percent (75%) of the voting power of Unit Owners;

(c) Enter into contracts and incur liabilities relating to the operation of the Condominium Property;

(d) Regulate the use, maintenance, repair, replacement, modification, and appearance of the Condominium Property;

(e) Adopt rules that regulate (i) the use or occupancy of Units, (ii) the use or occupancy of Exclusive Use Areas, and (iii) the maintenance, repair, replacement, modification, and appearance of Units, Common Elements, and Limited Common

Elements when the actions regulated by those rules affect Common Elements or other Units;

(f) Cause additional improvements to be made as part of the Common Elements;

(g) Purchase, encumber, and convey Units, and, subject to the requirements of Section 3 of Article XVII of this Declaration, acquire an interest in other real property and encumber or convey that interest. All expenses incurred in connection with the acquisition, encumbrance, use, and operation of that interest are common expenses.

(h) Acquire, encumber, and convey or otherwise transfer personal property;

(i) Hold in the name of the unit owners association the real property and personal property acquired pursuant to subsections (g) and (h) of this section;

(j) Grant easements, leases, licenses, and concessions through or over the Common Elements;

(k) Impose and collect fees or other charges for the use, rental, or operation of the Common Elements or for services provided to Unit Owners;

(l) Impose interest and late charges for the late payment of assessments and impose returned check charges;

(m) Promulgate and, subject to section 6 of this Article VII, impose reasonable enforcement assessments for violations of the Declaration, the Bylaws, and the rules of the Association, and reasonable charges for damage to the Common Elements or other property;

(n) Adopt and amend rules that regulate the collection of delinquent assessments and the application of payments of delinquent assessments;

(o) Impose reasonable charges for preparing, recording, or copying amendments to the declaration, resale certificates, or statements of unpaid assessments;

(p) Enter a Unit for bona fide purposes when conditions exist that involve an imminent risk of damage or harm to Common Elements, another Unit, or to the health or safety of the occupants of that Unit or another Unit;

(q) To borrow funds, as needed, and pledge such security and rights of the Association as may be necessary or desirable to obtain any such loan including, without limitation, the pledge or assignment of the Association's right to future income and the Association's right to levy assessments upon the members;

(r) Suspend the voting privileges and use of recreational facilities, and/or suspend or terminate the designation for exclusive use of Exclusive Use Areas of a Unit Owner or the Occupants of a Unit the Owners of which are delinquent in the payment of assessments for more than thirty (30) days;

(s) Purchase insurance and fidelity bonds required by this Declaration, the Bylaws, or by The Mortgage Corporation, Federal National Mortgage Association, Department of Housing and Urban Development, Veterans' Administration, or any similar holder, insurer or guarantor of first mortgage loans upon Units in the Condominium, or such other insurance and fidelity bonds as the Directors consider appropriate or necessary;

(t) Invest excess funds in investments that meet standards for fiduciary investments under Ohio law;

(u) Exercise powers that are:

(i) Conferred by this Declaration or the Bylaws, or the law of the State of Ohio;

- (ii) Necessary to incorporate or reincorporate the Association as an Ohio not-for-profit corporation;
- (iii) Permitted to be exercised in Ohio by a not-for-profit corporation;
- (iv) Necessary and proper for the government and operation of the Association;

Section 6. Procedures for Enforcement of Violations.

(a) **Notice.** Prior to imposing charges for damages to the Common Elements or other property, or assessments for the enforcement of violations of the provisions of the Declaration, Bylaws or rules and regulations of the Association, the Board shall give the Owners of the Unit written notice containing:

- (i) a description of the property damaged or the violation;
- (ii) The amount of the proposed charge or assessment;
- (iii) A statement that the owner has a right to a hearing before the Board to contest the proposed charge or assessment;
- (iv) A statement setting forth the procedures to request a hearing pursuant to subsection 6(b) of this Article; and
- (v) A reasonable date by which the Unit Owners must cure the violation to avoid the proposed charge or assessment.

(b) **Hearing.** A Unit Owner may request a hearing by delivering written notice of such request no later than the tenth (10th) day after receiving the notice provided in Subsection 6(a) of this Article. If the Unit Owners fail to make a timely request for a hearing, the right to such hearing shall be considered waived, and the Board may immediately impose the charge for damages or enforcement assessment referenced in the notice provided in Subsection 6(a) of this Article, or may allow a reasonable time to cure the violation before imposing a charge or assessment. If a Unit Owner requests a hearing, the Board shall not levy the charge or assessment before holding a hearing, and will, at least seven days prior to the hearing, provide the Unit Owners with a written notice of the date, time and location of the hearing. Within thirty (30) days following a hearing at which the Board imposes a charge or assessment, the Board shall deliver a written notice of the charge or assessment to the Unit Owners.

(c) **Manner of Notice.** Any notice required under this Section to be served:

- (i) upon the Unit Owners shall be delivered personally to the Owners or Occupants at the Unit, or mailed (by certified mail, return receipt requested) to the Owners at the address of the Unit, provided that if the Owners have provided the Association with an alternate address, all such notices shall be mailed (by certified mail, return receipt requested) to the Owners at such alternative address.
- (ii) upon the Association shall be delivered personally to any officer of the Association or to any on-site representative of any professional management company hired by the Association; or mailed (by certified mail, return receipt requested) to any officer of the Association or to the management company hired by the Association.

Section 7. Delegation of Authority: Professional Management. The Board may delegate all or any portion of its authority to discharge its responsibilities to a managing agent. This delegation of authority and responsibility to a managing agent may be evidenced by one or more management contracts which may provide for the payment of reasonable compensation to such managing agent as a common expense, provided, however, that any agreement for professional management: shall be terminable by the Association for cause on thirty (30) days written notice; shall be terminable by either party, without penalty, on ninety (90) days written notice; shall not exceed one year unless renewed by agreement of the parties for successive one-year periods; and shall be bona fide and commercially reasonable at the time entered into under

the circumstances then prevailing. Subject to the foregoing, nothing contained herein shall preclude Declarant, or any other entity designated by Declarant, from being employed as managing agent. The managing agent, or the Board, if there is no managing agent, shall have the authority to enter into contracts with Declarant, as defined by an institutional first mortgagee or agency or organization which purchases or insures first mortgages, for goods, services, or for any other thing, including, without limiting the generality of the foregoing, contracts for the providing of management, maintenance and repair services, provided the same are bona fide and commercially reasonable to the Unit Owners at the time entered into under the circumstances then prevailing and are terminable by the Association, without cause and without penalty, on ninety (90) days written notice, provided that any management contract entered into prior to the meeting at which control of the Association has been turned over to the Unit Owners (as provided in Section 4 of Article VII of this Declaration) may be terminated by the Board, without cause and without penalty, at any time after control of the Association has been turned over to the Unit Owners.

The decision by the Board not to have professional management, or to terminate professional management and assume self management, shall not be made without the consent of eligible holders of first mortgages on Units to which at least fifty-one percent (51%) of votes of Units subject to such mortgages appertain and the prior written consent of Unit Owners entitled to exercise not less than 67% of the voting power of Unit Owners (including the consent of Owners other than the Declarant who hold a majority of the voting power of Units owned by Owners other than the Declarant). Eligible holders of first mortgages on at least 51% of units subject to such mortgages held by eligible holders, may require the Association to employ professional management. Eligible holders of first mortgages on at least 51% of units subject to such mortgages held by eligible holders, may require the Association to perform and supply an audit of the Association's financial records.

ARTICLE VIII

AGENT FOR SERVICE

The name of the person to receive service of process for the Association, and that person's residence or place of business, is:

Statutory Agent Corporation
52 East Gay Street
Columbus, Ohio 43215

In the event this individual for any reason ceases to be registered with the Secretary of State of Ohio as Statutory Agent for the Association, the person so registered shall be the person to receive service of process for the Association.

ARTICLE IX

MAINTENANCE AND REPAIR

Section 1. Association Responsibility. To the extent that the Board, in the exercise of its duty to use ordinary care and prudence in the management of the property and financial affairs of the Condominium, allocates funds therefor, the Association shall maintain and repair the Common Elements, including and not limited to utility facilities serving more than one Unit, utility lines in the Common Elements, lawns, shrubs, trees, walkways, driveways and all buildings which are a part of the Common Elements, and, provided, however, that the Association shall not be required to provide cleaning or housekeeping with respect to Limited Common Elements. The Declarant hereby assigns to the Association all warranties received by the Declarant with regard to common elements, that exceed the time periods for the Declarant's warranty under §5311.25(E)(1) and (2) of the Ohio Revised Code.

Section 2. Individual Responsibility. Each Unit Owner shall repair and maintain the Unit or Units, and all components thereof, owned by that Unit Owner, and provide cleaning and housekeeping with respect to the Limited Common Elements appurtenant to that Owner's Unit. Without limiting the generality of the foregoing, this repair and maintenance responsibility shall include repair and maintenance of all windows, screens and doors, including the frames, sashes and jambs, and the hardware therefor; and cleaning and housekeeping of the interior of

the Limited Common Elements and any improvements therein. In the event a Unit Owner shall fail to make any such repair or perform such maintenance, or in the event the need for maintenance or repair of any part of the Common Elements or Limited Common Elements is caused by the negligent or intentional act of any Unit Owner or Occupant, or is as a result of the failure of any Unit Owner or his, her or its predecessors in title to timely pursue to conclusion a claim under any warranty, express, implied, or imposed by law, then in any such event, the Association may perform such repair or maintenance and, to the extent that the cost is not covered by insurance proceeds collected by the Association, the costs not recovered by the Association shall constitute a special individual Unit assessment, as hereinafter defined, on the Unit owned by such Unit Owner. The determination that such maintenance or repair is necessary, or has been so caused, shall be made by the Board. Notwithstanding anything in this Declaration to the contrary, and except in the event of an emergency, the Association shall not have the right to perform any necessary maintenance and/or to make any necessary repairs, replacements, improvements or additions in or to a Unit which is otherwise the responsibility hereunder of the Unit Owner unless the Unit Owner fails to complete the same following at least ten (10) day's written notice from the Association of the need to do so.

ARTICLE X

UTILITY SERVICES

Each Unit Owner by acceptance of a deed to a Unit agrees to pay for utility services separately metered or sub-metered or separately charged by the utility company or the Association to that Unit. The Association shall have the right and authority to sub-meter any utilities which are master-metered to the Condominium as a whole, including, without limitation, the right to contract with a third party or parties for the purpose of monitoring and administering the sub-meters, and for invoicing costs and fees associated with the sub-metered utility or utilities and the cost of sub-metering such utilities. The costs of any such sub-metered utilities shall constitute a special individual Unit assessment pursuant to Section 3(C) of Article XV hereof. In the event any utility service is not separately metered or sub-metered, the cost thereof shall be a common expense and paid by the Association.

ARTICLE XI

INSURANCE; LOSSES BONDS

Section 1. Fire and Extended Coverage Insurance. The Board shall have the authority to and shall obtain insurance for all Common Elements and common property of the Association against loss or damage by fire, lightning and other such hazards as are ordinarily insured against under the standard Special Extended Coverage form, in amounts at all times sufficient to prevent the Unit Owners from becoming co-insurers under the terms of any applicable co-insurance clause or provision and not less than one hundred percent (100%) of the current replacement cost of such items (exclusive of land, foundations, footings, excavations, and other items normally excluded from coverage), as determined from time to time by the insurer, with guaranteed replacement cost endorsement or replacement cost endorsement, and if there is a co-insurance provision, with agreed amount endorsement, and with a deductible not greater than the lesser of \$10,000 or 1% of the face amount of the policy. This insurance:

(a) may provide coverage for improvements, alterations, fixtures and equipment located within Units; interior walls, windows and doors and the frames, sashes, jambs and hardware therefor, even though these improvements may be parts of Units; and any other items of personal property for which coverage is required by The Mortgage Corporation, Federal National Mortgage Association, Department of Housing and Urban Development, Veterans' Administration, or any similar holder, insurer or guarantor of first mortgage loans upon Units in the Condominium;

(b) shall provide that no assessment may be made against a first mortgage lender, or its insurer or guarantor, or any designee of the foregoing, and that any assessment under such policy made against others may not become a lien on a unit and its appurtenant interests superior to a first mortgage. The carrier's charter, Bylaws or policy may not make loss payments contingent upon action by the carrier's board of directors, policyholders or members, nor may the policy include any limiting clause (other than

insurance conditions) which could prevent any unit owner or holder, insurer or guarantor of a first mortgage on a unit, from collecting insurance proceeds.

(c) shall be obtained from an insurance company authorized to write such insurance in the State of Ohio which has a current rating of Class A/VIII, or better, as determined by the then latest edition of *Best's Insurance Reports*, or its successor guide, or comparable rating by a nationally recognized rating agency, or such higher rating as may, from time to time, be required by The Mortgage Corporation, Federal National Mortgage Association, Department of Housing and Urban Development, Veterans' Administration, or any similar holder, insurer or guarantor of first mortgage loans upon Units in the Condominium; or, if the insurer does not satisfy these rating requirements, that insurer is reinsured by a company that has an A/VIII or comparable rating, or better rating;

(d) shall provide that its coverage is primary (even if a Unit Owner has other insurance that covers the same loss) and be written in the name of the Association (with the Association being a named insured and loss payee) for the use and benefit of the individual Unit Owners and their mortgage holders, or its authorized representative, including any insurance trustee with whom the Association has entered into an insurance trust agreement, or any successor to such trustee, for the use and benefit of the individual Unit Owners and their mortgage holders, as their interests may appear. Each Unit Owner and each Unit Owner's mortgagee, if any, shall be the beneficiaries of the policy in proportion to the undivided interest in Common Elements appurtenant to each respective Unit.

(e) shall contain or have attached the insurance industry's standard mortgagee clause (without contribution) commonly accepted by institutional mortgage investors in the area in which the Condominium Property is located, naming the holder, insurer, guarantor or servicer (or their respective successors and assigns) of first mortgages on Units, which must provide that the insurance carrier shall notify the Association and all Holders of First Mortgages named at least ten (10) days in advance of the effective date of any reduction in, cancellation or lapse of, or substantial change in the policy, and which standard mortgagee clause must further be endorsed to provide that any loss shall be paid to the Association (or its insurance trustee), as a trustee for each Unit Owner and each such Unit Owner's mortgagee;

(f) shall contain a waiver of subrogation of rights by the carrier as to the Association, its officers and Directors, and all Unit Owners, and the rights of the various parties to collect pursuant to such insurance shall not be prejudiced by the acts or failure to act of any Unit Owner, Director or officer of the Association, or any person under the control of the Association; and

(g) shall contain provisions recognizing any Insurance Trust Agreement and such other endorsements and meet such other requirements as are standard for similar projects in the area, including, without limitation and where available without excessive cost, inflation guard endorsement, building ordinance and law endorsement, and boiler and machinery endorsements, if applicable, (at not less than the lesser of \$2,000,000 or the insurable value of the building(s) housing the boiler or machinery, per accident, per location) and such other endorsements as are, from time to time, required by The Mortgage Corporation, Federal National Mortgage Association, Department of Housing and Urban Development, Veterans' Administration, or any similar holder, insurer or guarantor of first mortgage loans upon Units in the Condominium;

The cost of this insurance shall be a common expense, payable by the Association. Certificates of insurance shall be issued to each Unit Owner and mortgagee upon request.

Section 2. Liability Insurance. The Association shall obtain and maintain a comprehensive commercial general liability insurance policy, written on a per-occurrence basis, covering all of the Common Elements and any other areas under the Association's supervision, insuring the Association, the Directors, and the Unit Owners and Occupants, with such limits as the Board may determine, but no less than the greater of (a) the amounts generally required by private institutional mortgage investors for projects similar in construction, location and use, and (b) one million dollars, (\$1,000,000), for bodily injury, including deaths of persons, and property

damage, arising out of a single occurrence. This insurance shall have the insurance industry's standard mortgagee clause, shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of a Unit Owner because of negligent acts of the Association, the Board, or other Unit Owners and shall include such additional coverages commonly required by private mortgage investors for developments similar in construction, location and uses including, without limitation, contractual liability, coverage for legal liability of the insureds for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the Common Elements and arising out of lawsuits related to employment contracts of the Association, and such additional coverages as are required by The Mortgage Corporation, Federal National Mortgage Association, Department of Housing and Urban Development, Veterans' Administration, or any similar holder, insurer or guarantor of first mortgage loans upon Units in the Condominium. Each such policy must provide that it may not be canceled or substantially modified by any party, without at least 10 days' prior written notice to the Association, any named mortgagee, and to each holder of a first mortgage lien upon any Unit.

Section 3. **Fidelity Coverage.** The Board shall, to the extent such coverage is available, obtain and maintain fidelity coverage for the Association and shall require professional management to carry such insurance, against dishonest or fraudulent acts on the part of the officers, Directors and employees of the Association and all agents or volunteers responsible for handling funds belonging to or administered by the Association. The fidelity bond or insurance shall name the Association as the named obligee or insured and shall be written in an amount sufficient to provide protection, which is in no event less than the greater of: (i) the maximum funds (including reserves) that will be in the custody of the Association or its agent at any time; or (ii) the sum of three months worth of assessments plus the Association's reserves. In connection with such coverage, an appropriate endorsement to the policy to cover any persons who serve without compensation shall be added if the policy would not otherwise cover volunteers. The bond or policy shall provide that it shall not be canceled or substantially modified (including cancellation for non-payment of premium) without at least 10 days' prior written notice to the Association, any insurance trustee, and any holder, insurer, guarantor or servicer on behalf of any holder of any mortgage on a Unit who requires such rights. Any managing agent that handles funds for the Association shall be required to obtain its own fidelity bond providing similar coverage.

Section 4. **Other Association Insurance.** In addition, the Board may purchase and maintain such other insurance as the Board may determine, or as may be required by law, including, without limitation, workers' compensation, flood insurance (if any portion of the improvements in the Condominium Property are in a Special Flood Hazard Area), and similar insurance where applicable, or required by The Mortgage Corporation, Federal National Mortgage Association, the Department of Housing and Urban Development, the Veteran's Administration, or any similar holder, insurer or guarantor of first mortgage loans on Units in the Condominium. All insurance shall be obtained from generally acceptable insurance carriers, and the premiums for all such insurance described in sections 1 through 4 of this Article XI, obtained by the Association, shall be paid by the Association as a Common Expense.

Section 5. **Insurance Representative; Power of Attorney.** Notwithstanding any of the foregoing provisions of this Article, or any requirement relating to property or liability insurance herein, there may be named, under any policy obtained by the Association, as an insured on behalf of the Association, its authorized representative, including any trustee with whom the Association may enter into an insurance trust agreement, or any successor to such trustee, who shall have exclusive authority to negotiate losses under any such policy and to perform such other functions as are necessary to accomplish this purpose. Each Unit Owner, by acceptance of a deed to a Unit, irrevocably appoints the Association or such designated representative, or such successor, as attorney-in-fact for the purpose of purchasing and maintaining such insurance, including: the collection and appropriate disposition of the proceeds thereof; the negotiation of losses and execution of releases of liability; the execution of all documents; and the performance of all other acts necessary to accomplish such purpose. The Association, or such designated representative, or such successor, shall receive, hold or otherwise properly dispose of any proceeds of insurance, in trust, for Unit Owners and their first mortgage holders, as their interests may appear. This power is for the benefit of each and every Unit Owner, and their respective first mortgage holders, and the Association, and the Condominium, runs with the land, and is coupled with an interest.

Section 6. Unit Owners' Insurance. Any Unit Owner or Occupant may carry such insurance in addition to that provided by the Association pursuant hereto as that Unit Owner or Occupant may determine, subject to the provisions hereof, and provided that no Unit Owner or Occupant may at any time purchase individual policies of insurance against loss by fire or other casualty covered by the insurance carried pursuant hereto by the Association. In the event any Unit Owner or Occupant violates this provision, any diminution in insurance proceeds resulting from the existence of such other insurance shall be chargeable to the Unit Owner who acquired or whose Occupant acquired such other insurance, who shall be liable to the Association to the extent of any diminution and/or loss of proceeds. Without limiting the foregoing, a Unit Owner or Occupant may obtain insurance against liability for events occurring within a Unit, losses with respect to personal property and furnishings, and losses to improvements owned by the Unit Owner or Occupant, provided that if the Association obtains insurance for permanent improvements and built-in fixtures and equipment, then the insurance obtained by the Unit Owner with respect to improvements within the Unit shall be limited to the type and nature of coverage commonly referred to as "tenants' improvements and betterments". All such insurance separately carried shall contain a waiver of subrogation rights by the carrier as to the Association, its officers and Directors, and all other Unit Owners and Occupants.

Section 7. Sufficient Insurance. In the event the improvements forming a part of the Common Elements or any portion thereof shall suffer damage or destruction from any cause or peril insured against and the proceeds of any policy or policies insuring against such loss or damage and payable by reason thereof shall be sufficient to pay the cost of repair or restoration or reconstruction, then such repair, restoration or reconstruction shall be undertaken by the Association and the insurance proceeds shall be applied by the Board in payment therefor; provided, however, that in the event that within sixty (60) days after such damage or destruction the Unit Owners and eligible holders of first mortgages, if they are entitled to do so pursuant to the provisions of this Declaration, shall elect to terminate the Condominium, then such repair, restoration or reconstruction shall not be undertaken.

Section 8. Insufficient Insurance. In the event the improvements forming a part of the Common Elements or any portion thereof shall suffer damage or destruction from any cause or peril which is not insured against, or, if insured against, the insurance proceeds from which shall not be sufficient to pay the cost of repair, restoration or reconstruction, then, unless the Unit Owners and Eligible Holders of First Mortgages, if they are entitled to do so pursuant to the provisions of this Declaration, shall elect within sixty (60) days after such damage or destruction not to make such repair, restoration or reconstruction, the Association shall make repairs, restoration or reconstruction of the Common Elements so damaged or destroyed at the expense (to the extent not covered by insurance) of all Unit Owners in proportion to their respective undivided interests in the Common Elements. Should any Unit Owner refuse or fail after reasonable notice to pay that Unit Owner's share of such cost in excess of available insurance proceeds, the amount so advanced by the Association shall be assessed against the Unit of such Unit Owner and that assessment shall have the same force and effect, and, if not paid, may be enforced in the same manner as herein provided for the nonpayment of assessments.

Section 9. Compliance with Institutional Requirements. Notwithstanding any provision to the contrary contained herein, the Association shall maintain such insurance coverage as is required to be obtained by any national, institutional holder, purchaser, guarantor, insurer or servicer of a first mortgage secured by a Unit in the Condominium.

ARTICLE XII

RESTORATION OF DAMAGE OR DESTRUCTION

Section 1. Obligation to Restore. In the event of damage to or destruction of all or any part of a building, structures or fixtures constituting a part of the Condominium Property, or the taking all or any part of a building, structures or fixtures constituting a part of the Condominium Property in any condemnation or eminent domain proceeding, the Association shall promptly restore or replace the same, unless an election is made in accordance with the requirements of this Article, not to do so.

Section 2. Election not to Restore. The Association may, with the consent (obtained within sixty (60) days after such damage, destruction or taking) of Unit Owners entitled to exercise not less than eighty percent (80%) of the voting power of Unit Owners,

including the consent of Owners other than the Declarant who hold a majority of the voting power of Units owned by Owners other than the Declarant (for the purposes of the foregoing, such consent with respect to a Unit owned by the Declarant shall not be valid unless prior written consent is obtained from the mortgagee of such Unit) and the consent of Eligible Holders of First Mortgages on Units to which at least seventy-five percent (75%) of the votes of Units subject to mortgages held by Eligible Holders of First Mortgages appertain, determine not to repair or restore such damage, destruction or taking. In the event of such election not to repair or restore such damage, destruction or taking, the Condominium Property shall either be sold as upon partition (and the Condominium regime terminated and dissolved) pursuant to subsection (a) of this section, or the Association shall distribute the proceeds among the Owners (and their mortgagees and other lien holders) pursuant to subsection (b) of this section, in proportion to the damage done to their interests by the failure of such damage, destruction or taking to be repaired or restored.

(a) **Dissolution of Condominium and Partition Sale.** Upon an election not to repair or restore all damage, destruction or taking pursuant to Section 2 of this Article, Owners of Units exercising a majority of the voting power of the Unit Owners may bring an action in partition for the sale of the entire Condominium Property, in which event the net proceeds of such sale, along with the net proceeds of insurance and any other indemnity arising because of the damage or destruction, shall be distributed among all Unit Owners in proportion to the undivided interests in the common elements appurtenant to their respective Units. No Owner shall be entitled to receive any portion of those proceeds until all liens and encumbrances on the Owner's Unit (except taxes and assessments of political subdivisions not then due and payable) are paid, released or discharged.

(b) **No Partition Sale/Dissolution.** Upon an election not to repair or restore all damage, destruction or taking pursuant to Section 2 of this Article, if the Unit Owners do not elect to bring an action in partition pursuant to Section 2(a) of this Article, the net proceeds of insurance or awards paid by reason of such damage or destruction or such taking shall, after payment to damaged Unit Owners in accordance with the balance of this subsection (b), be added to the Association's reserves, to be used by the Association for future capital improvements, repair or replacements.

In the event that part of the buildings, structures and fixtures not restored or replaced are part of one or more Units, then there shall be allocated and disbursed from the insurance and condemnation proceeds and awards, to each Unit Owner whose Unit cannot be so restored or replaced, and his, her or its respective first mortgagee, as their interests may appear, either:

(i) such amount as would be required for the Unit Owner to restore or repair such damage or taking, if the repair or restoration would return the Unit to tenable condition equal to the size and condition thereof existing immediately prior to such damage, destruction or taking. No Owner shall be entitled to receive any portion of those proceeds until all liens and encumbrances on the Owner's Unit (except taxes and assessments of political subdivisions not then due and payable) are paid, released or discharged; or

(ii) if such restoration is not possible, an amount equal to the fair market value of the Unit immediately prior to such damage, destruction or taking. In the latter event, upon such distribution, such Unit or Units, and the owners thereof, shall be immediately and automatically divested of any interest in the un-restored Unit including, without limiting the generality of the foregoing, divestment of an undivided interest, vote, membership in the Association, and liability for common expenses. All such rights and interests shall be reallocated among all other Units and Unit Owners in the same relative proportions as those rights and interests were prior to such taking. To illustrate, upon a Unit being divested from the Condominium, (x) the voting right of that Unit will be equally allocated among all other Units, since each Unit prior thereto had an equal vote, and (y) the undivided interest of that Unit will be reallocated among all other Units in the proportions of their relative undivided interests prior to such taking. No Owner shall be entitled to receive any portion of those proceeds until all liens

and encumbrances on the Owner's Unit (except taxes and assessments of political subdivisions not then due and payable) are paid, released or discharged.

ARTICLE XIII

CONDEMNATION

Section 1. Standing. Except as hereinafter provided, the Association, or its designated representative, or authorized successor, as trustee, shall represent the Unit Owners in any condemnation or eminent domain proceedings or in negotiations, settlements and agreements with the condemning authority for acquisition of all or any part of the Condominium Property, and shall have the sole and exclusive right to settle the loss with the condemning authority and to receive the award or proceeds of settlement, in trust, for the use and benefit of the Unit Owners and their mortgagees as their interests may appear. Notwithstanding the foregoing, in the event that a Unit Owner may lawfully separately pursue and realize upon a claim for incidental and consequential losses or damage to that Unit Owner resulting from a taking under the power of eminent domain, such as for relocation and moving expenses, loss of favorable mortgage terms, and other such individual incidental or consequential loss, that Unit Owner may, at his, her or its election, separately pursue such claim, provided, that the pursuing of the same, or the realization of an award thereof, neither jeopardizes, in any way, an action by the Association to recoup the losses incurred by it, any other Unit Owner, or the direct loss with respect to the Unit itself, or with regard to the usability thereof, nor diminishes any award for any such loss.

Section 2. Use of Proceeds. The award or proceeds of settlement in any such proceedings, after reduction by the costs, if any, incurred in obtaining the same, shall be applied first to the cost of restoring or replacing all damaged improvements on the remaining Condominium Property in accordance with the Drawings, or in accordance with any new plans and specifications therefor approved by Unit Owners exercising no less than seventy-five percent (75%) of the voting power of Unit Owners, and the Eligible Holders of First Mortgage on Units to which at least fifty-one percent (51%) of the votes of Units subject to mortgages held by Eligible Holders of First Mortgages appertain. If the award or proceeds are insufficient for such purpose, the excess cost shall be paid by the Association and, to the extent funds of the Association are insufficient therefor, in the judgment of the Board, such excess cost shall be a common expense and assessed among the Units in the same manner as special assessments for capital improvements are assessed. Except as hereinafter provided, the balance of any such award or proceeds of settlement, if there is an excess, shall be allocated and distributed to the Unit Owners, and their first mortgagees, as their interests may appear, in proportion to the relative undivided interests of the Units in the Common Elements. Notwithstanding the foregoing, in the event that as a result of any such taking, and consequent restoration or replacement, any Unit could not reasonably be restored to a condition comparable to that which existed prior to the taking, or could not be replaced, prior to the allocation and disbursement of any sum to any other Unit Owner or his, her or its mortgagee, there shall be allocated and disbursed from such award or proceeds, to each Unit Owner whose Unit cannot be so restored or replaced, and his, her or its respective first mortgagee, as their interests may appear, such amount as is equal to the then fair market value of the Unit that cannot be so restored or replaced. Thereupon, such Unit or Units, and the owners thereof, shall be immediately and automatically divested of any interest in the Condominium, the Condominium Property, and the Association, including, without limiting the generality of the foregoing, divestment of an undivided interest, vote, membership in the Association, and liability for common expenses. All such rights and interests shall be reallocated among all other Units and Unit Owners in the same relative proportions as those rights and interests were prior to such taking. To illustrate, upon a Unit being divested from the Condominium, (a) the voting right of that Unit will be equally allocated among all other Units, since each Unit prior thereto had an equal vote, and (b) the undivided interest of that Unit will be reallocated among all other Units in the proportions of their relative undivided interests prior to such taking.

Section 3. Power of Attorney. Each Unit Owner, by acceptance of a deed to a Unit, appoints the Association, or its designated representative, or authorized successor, as his, her or its attorney-in-fact to represent that Unit Owner, settle losses, receive and utilize the award or proceeds of settlement, and do all things necessary or desirable for such attorney-in-fact to exercise the rights and fulfill the responsibilities of the Association set forth in this Article with respect to condemnation or eminent domain proceedings. This power is for the benefit of each

and every Unit Owner, each holder of a first mortgage on a Unit, the Association, and the real estate to which it is applicable, runs with the land, is coupled with an interest, and is irrevocable.

ARTICLE XIV

GRANTS AND RESERVATIONS OF RIGHTS AND EASEMENTS

Section 1. Easements of Enjoyment; Limitations. Every Unit Owner shall have a right and easement of enjoyment in, over and upon the Common Elements and a right and easement for access to and from his, her or its Unit, and a right and easement for utilities serving that Unit, which rights and easements shall be appurtenant to and shall pass with the title to a Unit, subject to the right of the Board to make reasonable rules and regulations concerning the use and management of the Common Elements, provided that no such rule or regulation shall limit or prohibit the right to utility services or the right of ingress and egress to a Unit, or any part thereof, or to that Unit's Limited Common Elements. Any Unit Owner may delegate that Unit Owner's right of enjoyment to the Common Elements and to ingress to and egress to the members of that Unit Owner's family and to Occupants.

Section 2. Right of Entry for Repair, Maintenance and Restoration. The Association shall have a right of necessary entry and access to, over, upon and through all of the Condominium Property, including each Unit, to enable the Association to perform its obligations, rights and duties pursuant hereto with regard to maintenance, repair, restoration and/or servicing of any items, things or areas of or in the Condominium Property. In the event of an emergency, the Association's right of entry to a Unit and its appurtenant Limited Common Elements may be exercised without notice; otherwise, the Association shall give the Unit Owners or Occupants of a Unit no less than 24-hours advance notice prior to entering a Unit or its appurtenant Limited Common Elements.

Section 3. Easements for Encroachments. Each Unit and the Common Elements shall be subject to easements for encroachments by any other Unit or the Common Elements created or arising by reason of overhangs; or by reason of deviations in construction, reconstruction, or repair; or by reason of shifting, settlement, or movement of the structures; or by reason of errors in the Drawings. Valid easements for these encroachments and for the maintenance of same, so long as the encroaching structures remain, shall and do exist. Additionally, each Unit Owner of a Dwelling Unit shall have a permanent easement and right for the benefit of his or her respective Dwelling Unit or Dwelling Units to penetrate the Common Elements which separate adjacent Dwelling Units (adjacent horizontally or vertically) for the sole purposes of constructing and installing openings and/or stairways to connect such Dwelling Units in order to facilitate the use of adjacent Dwelling Units as one space, provided that such construction and installation does not in any way impair the structural integrity of the Condominium Property, and provided that all relevant procedures set forth herein, in the Bylaws and/or the rules and regulations promulgated by the Board, are followed.

Section 4. Easement for Support. Every portion of a building or utility line or any improvement on any portion of the Condominium Property contributing to the support of another building, utility line or improvement on another portion of the Condominium Property shall be burdened with an easement of support for the benefit of all other such buildings, utility lines, improvements and other portions of the Condominium Property.

Section 5. Easements for Utilities and Operation of the Condominium Property. There is hereby created upon, over and under all of the Condominium Property easements to the Association for ingress and egress to, and the installation, replacing, repairing and maintaining of all utilities, including, but not limited to water, sewer, gas, telephone, communication lines, electricity, security systems, master television antennas and cable television. By this easement it shall be expressly permissible for the Association to grant to the providing company and/or contractors permission to construct and maintain the necessary poles and equipment, wires, circuits, conduits and other appurtenances and improvements on, above, across and under the Condominium Property, so long as such poles, equipment, wires, circuits, conduits, appurtenances and improvements do not unreasonably interfere with the use and enjoyment of the Condominium Property. Should any utility or other company furnishing a service request a specific easement by separate recordable document, the Board shall have the right to grant such easement without conflicting with the terms hereof. Additionally, to the extent that such grant does not unreasonably interfere with the use and enjoyment of the Condominium Property, the

Association shall have the authority, on behalf of the Association and the Unit Owners, to grant permits, leases, easements, licenses and concessions on, above, over, across and under the Common Elements for utilities, roads and other purposes necessary, in the sole opinion of the Board, for the proper operation of the Condominium.

Section 6. Easement for Services. A non-exclusive easement is hereby granted to all police, firemen, ambulance operators, mailmen, deliverymen, garbage and trash removal personnel, and all similar persons, and to the local governmental authorities and the Association, but not to the public in general, to enter upon the Common Elements in the performance of their duties.

Section 7. Easements Reserved to Declarant. Non-exclusive easements are hereby reserved to the Declarant, its successors and assigns, over and upon the Common Elements (a) for a three-year period of time from the date of the filing of this Declaration, for access for and for the purpose of completing improvements for which provision is made in this Declaration, provided that such right of access shall be to the extent, but only to the extent, that access thereto is not otherwise reasonably available, (b) for the periods provided for warranties hereunder, for purposes of making repairs required pursuant to those warranties or pursuant to contracts of sale made with Unit purchasers, and (c) until the Declarant has sold all Units, to maintain one or more Units for sales and management offices and for storage and maintenance, and model Units, parking areas for sales and rental purposes, and advertising signs. Such easements described in this paragraph are subject to the Declarant's obligation to restore any areas or improvements damaged by the Declarant's use of such easements.

Section 8. General. The easements and grants provided herein shall in no way affect any other recorded grant or easement.

ARTICLE XV

ASSESSMENTS AND ASSESSMENT LIENS

Section 1. Types of Assessments. The Declarant for each Unit within the Condominium hereby covenants, and each Unit Owner by acceptance of a deed to a Unit (whether or not it shall be so expressed in such deed), is deemed to covenant and agree to pay to the Association: (1) annual operating assessments, (2) special assessments for capital improvements, and (3) special individual Unit assessments, all of such assessments to be established and collected as hereinafter provided.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety and welfare of Unit Owners and Occupants and the best interests of the Condominium Property.

Section 3. Elements-Apportionment: Due Dates.

(a) **Annual Operating Assessments.**

(i) Prior to the time that any Unit Owner is to be charged Assessments by the Association (for the Association's first, partial fiscal year), and prior to the beginning of each fiscal year of the Association thereafter, the Board shall adopt a budget and estimate, and prorate among the Units on the basis of the undivided interest of each Unit in the Common Elements, common expenses of the Association consisting of the following:

A. the estimated next fiscal year's cost of the maintenance, repair, and other services to be provided by the Association;

B. the estimated next fiscal year's costs for insurance and bond premiums to be provided and paid for by the Association;

C. the estimated next fiscal year's costs for utility services not separately metered;

D. the estimated amount required to be collected to maintain a working capital reserve fund in an amount not less than two months'

estimated common expenses for each unit, to assure availability of funds for normal operations of the Association. (The initial contribution to such working capital fund shall be collected at the closing of each unit, but no later than the date control of the Association is transferred to the Unit Owners, as provided in Section 4 of Article VII, and such initial amounts paid into this fund shall not be considered as advance payments of regular assessments. Such initial contribution shall be completed at the time that the election of all Directors is turned over to the Association, and such funds shall be placed by the Directors in a segregated fund. Prior to such date, such funds may not be used to defray expenses, reserve contributions, construction costs, or to make up budget deficits);

E. an amount deemed adequate by the Board, but no less than ten percent (10%) of the annual budget (unless such reserve requirement is waived annually by the Unit Owners exercising not less than a majority of the voting power of the Association) to maintain a reserve for the cost of unexpected repairs and replacements and periodic maintenance, repair and replacement of improvements and for the repair and replacement of major capital items in the normal course of operations without the necessity of special assessments, and for the funding of insurance deductibles in the event of casualty loss; and

F. the estimated next fiscal year's costs for the operation, management and administration of the Association, including, but not limited to, fees for property management, fees for legal and accounting services, costs of mailing, postage, supplies and materials for operating the Association, and the salaries, wages, payroll charges and other costs to perform these services, and any other costs constituting common expenses not otherwise herein specifically excluded.

(ii) The Board shall thereupon allocate to each Unit that Unit's share of all of these items, prorated such that all common expenses will be shared in accordance with each respective Unit's undivided interest in the Common Elements, and thereby establish the annual operating assessment for each separate Unit. For administrative convenience, any such assessment may be rounded so that monthly installments will be in whole dollars.

(iii) The annual operating assessment shall be payable in advance, in equal monthly installments (or less frequent basis, as determined by the Board), provided that nothing contained herein shall prohibit any Unit Owner from prepaying assessments in annual, semi-annual, quarterly or monthly increments. The due dates of any such installments shall be established by the Board, and, unless otherwise provided, the Association shall collect on or before the first day of each month from those who own the Unit an equal monthly pro-rata share of the annual operating assessment for that Unit.

(iv) If the amounts so collected are, at any time, insufficient to meet all obligations for which those funds are to be used, the deficiency shall be assessed by the Board among the Units on the same basis as heretofore set forth.

(v) If assessments collected during any fiscal year are in excess of the funds necessary to meet the anticipated expenses for which the same have been collected, the excess shall be deemed to be retained by the Board as reserves, and shall in no event be deemed profits nor available, except on dissolution of the Association, for distribution to Unit Owners.

(b) Special Assessments for Capital Improvements.

(i) In addition to the annual operating assessments, the Board may levy, in any fiscal year, special assessments to construct, reconstruct or replace capital improvements on the Common Elements to the extent that reserves therefor are insufficient, provided that new capital improvements not replacing existing improvements (except new capital improvements required by

governmental regulation or to correct any deficiency or defect creating a safety or health hazard) shall not be constructed nor funds assessed therefor, if the cost thereof in any twelve consecutive month period would exceed an amount equal to five percent of that fiscal year's budget, without the prior consent of Unit Owners exercising no less than seventy-five percent (75%) of the voting power of Unit Owners (including the consent of Owners other than the Declarant who hold a majority of the voting power of Units owned by Owners other than the Declarant) and the consent of Eligible Holders of First Mortgages on Units to which at least fifty-one percent (51%) of the votes of Units subject to mortgages held by eligible holders of mortgages appertain.

(ii) Any such assessment shall be prorated among all Units in proportion to their respective undivided interests in the Common Elements, and shall become due and payable on such date or dates as the Board determines following written notice to the Unit Owners.

(c) **Special Individual Unit Assessments.** The Board may levy an assessment against an individual Unit, or Units, to reimburse the Association for those costs incurred in connection with that Unit or Units properly chargeable by the terms hereof to a particular Unit (such as, but not limited to, the cost of maintenance or of making repairs which are the responsibility of a Unit Owner; the cost of insurance premiums separately billed to a Unit Owner; the cost of cleaning debris from and the housekeeping of the Unit's Limited Common Elements where, in the opinion of the Board, the owner has allowed the same to become unsightly; penalties and charges imposed pursuant to Rules and Regulations of the Board for violations of the Declaration, Bylaws and Rules and Regulations; and a Unit Owner's enforcement and arbitration charges including, without limitation, the costs and attorneys' fees involved in bringing actions to enforce the terms of the Declaration, Bylaws, Rules and Regulations). In the event that the Association sub-meters any master-metered utilities, then any and all charges invoiced to the relevant Unit Owner for the sub-metered utility, whether invoiced by the Association or by any contractor of the Association, shall constitute a special individual Unit assessment against the Unit to reimburse the Association for the Unit's share of the master-metered utility. Any such assessment shall become due and payable on such date as the Board determines, and gives written notice to the Unit Owners subject thereto. Additionally, during the first years of the Condominium's existence, and until such time as real estate taxes and assessments are split into separate tax bills for each Unit, the Association shall have the right to pay the real estate taxes and assessments attributable to the Condominium Property in the event the same have not been paid, when due, and assess each Unit Owner for his, her or its share of such real estate taxes and assessments as a special individual Unit assessment. The share of those taxes and assessments attributable to a Unit shall be computed by multiplying the total taxes and assessments for all of the Condominium Property by the undivided interest in Common Elements attributable to that Unit. The calculation by the Association of the Units' shares of taxes and assessments shall be binding upon all Unit Owners.

Section 4. Effective Date of Assessments. Any assessment created pursuant hereto shall be effective, provided it is created as provided herein, if written notice of the amount thereof is sent by the Board to the Unit Owner subject thereto at least ten days prior to the due date thereof, or the due date of the first installment thereof, if to be paid in installments. Written notice mailed or delivered to a Unit Owner's Unit shall constitute notice to that Unit Owner, unless the Unit Owner has delivered written notice to the Board of a different address for such notices, in which event the mailing of the same to that last designated address shall constitute notice to that Unit Owner.

Section 5. Effect of Nonpayment of Assessment; Remedies of the Association.

(a) **Interest, fees and costs.** If any assessment, or any installment or portion of any assessment is not paid within ten (10) days after the same has become due, the entire unpaid balance shall immediately, without notice or demand, become due and payable, and the Board, at its option, without notice or demand, may charge additional amounts for:

(i) reasonable, uniform administrative late fees as determined by the Board from time to time;

(ii) enforcement charges and collection costs (including, without limitation, attorneys and paralegal fees) the association incurs or estimates that it will incur in connection with the collection of the delinquency;

(iii) interest on the entire unpaid balance of assessments and costs incurred by the Association in connection with such collection, at the rate of 8% per annum or at such other rate as the Board may from time to time determine; and

(iv) any other charges authorized by the Declaration, Bylaws or the Rules and Regulations promulgated by the Board,

(collectively referred to herein as the "interest, fees and costs"), all to the extent not prohibited by Ohio law.

(b) **Application of Payments.** Payments made by a Unit Owner for assessments shall be applied:

first, for the payment of interest accrued on the delinquent installments or portions of unpaid assessments and on costs incurred by the Association in connection with such collection, at the rate of 8% per annum or at such other rate as the Board may from time to time have otherwise determined;

second, for the payment of administrative late fees charged with respect to the delinquency applicable to the Unit;

third, to reimburse the Association for enforcement charges and collection costs (including, without limitation, attorneys and paralegal fees) incurred by the association in connection with the delinquency;

fourth, to the payment of delinquent installments or portions of assessments which remain unpaid.

(c) **Certificate of Lien.** Annual operating and both types of special assessments, together with interest, fees (including reasonable legal fees) and costs, shall be a charge and a continuing lien in favor of the Association upon the Unit against which each such assessment is made, from the effective date thereof. At any time after an installment or portion of an assessment levied pursuant hereto remains unpaid for ten (10) or more days after the same has become due and payable, a certificate of lien for all or any part of the unpaid balance of that assessment, with interest, fees (including reasonable legal fees) and costs, may be filed with the recorder of county in which the Condominium Property is located, pursuant to authorization given by the Board. The certificate, and thereafter, renewal certificates as necessary to keep the lien in effect, shall contain a description of the Unit against which the lien exists, the name or names of the record owner or owners thereof, and the amount of the unpaid balance of the assessment with interest, fees (including reasonable legal fees) and costs, and shall be signed by the president or other chief officer of the Association.

(d) **Expiration of Lien.** The lien provided for herein shall remain valid for a period of five (5) years from the date a certificate of lien or renewal certificate was duly filed therefor, unless sooner released or satisfied in the same manner provided by law in the State of Ohio for the release and satisfaction of mortgages on real property, or discharged by the final judgment or order of a court in an action brought to discharge the lien.

(e) **Action to Discharge Lien.** Any Unit Owner who believes that an assessment chargeable to his, her or its Unit (for which a certificate of lien has been filed by the Association) has been improperly charged against that Unit, may bring an action in the Court of Common Pleas of the county in which the Condominium Property is located for the discharge of that lien. In any such action, if it is finally determined that all or a portion of the assessment has been improperly charged to that Unit, the court shall make

such order as is just, which may provide for a discharge of record of all or a portion of that lien.

(f) **Personal Obligation of Owners.** Each such assessment together with interest, fees and costs, shall also be the joint and several personal obligation of the Unit Owners who owned the Unit at the time when the assessment fell due. The obligation for delinquent assessments, interest, fees and costs shall not be the personal obligation of that owner or owners' successors in title unless expressly assumed by the successors, provided, however, that the right of the Association to obtain a lien against that Unit, or to foreclose any lien thereon for these delinquent assessments, interest, fees and costs shall not be impaired or abridged by reason of the transfer, but shall continue unaffected thereby.

(g) **Legal Actions.** In addition to the lien permitted by this Section, the Association, as authorized by the Board, may bring an action at law against the owner or owners personally obligated to pay the same, an action to foreclose a lien, or any other action permitted by law. In any foreclosure action, the owner or owners affected shall be required to pay a reasonable rental for that Unit during the pendency of such action, and the Association shall be entitled to the appointment of a receiver to collect rental. Rental collected by a receiver during the pendency of a foreclosure action shall be applied first to the payment of the portion of the common expenses chargeable to the Unit during the pendency of the foreclosure action. The Association shall be entitled to become a purchaser at any foreclosure sale.

(h) **No Waiver.** No owner may waive or otherwise escape liability for the assessments provided for in this Declaration by non-use of the Common Elements, or any part thereof, or by abandonment of his, her or its Unit.

Section 6. Subordination of the Lien to First Mortgages. The lien for delinquent assessments provided for herein shall be: (a) prior to any lien or encumbrance subsequently arising or created, except liens for real estate taxes and assessments of political subdivisions and liens of first mortgages that have been filed for record; (b) subject and subordinate to the title of any holder of a first mortgage lien who takes title to the Unit pursuant to deed in lieu of foreclosure or other remedies in lieu of the foreclosure of its mortgage; and (c) subject and subordinate to the title of any purchaser at a foreclosure sale in which the Association has been joined and properly served as a party, provided that in each such event, the party taking title by foreclosure of the mortgage, or deed or assignment in lieu of foreclosure, and any purchaser at a foreclosure sale, shall take the property free of any claims for unpaid installments of assessments or charges against the mortgaged Unit which became due and payable prior to foreclosure sale.

Section 7. Certificate Regarding Assessments. The Board shall, upon demand, for a reasonable charge, furnish a certificate signed by the president, treasurer, secretary or other designated representative of the Association, setting forth whether the assessments on a specified Unit have been paid. This certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 8. Declarant's Obligations. Declarant will assume the rights and obligations of a Unit Owner in its capacity as owner of Units not yet sold, including the obligation to pay common expenses attaching to such Units, from the date the Declaration is filed for record. If no assessments are charged to any Units, then the Declarant will, likewise, pay no assessments for Units owned by the Developer until such time that common expenses are first charged with respect to any Unit.

ARTICLE XVI

NOTICES TO MORTGAGEES

Any Eligible Holder of a First Mortgage shall have the right to inspect Association documents and records on the same terms as the members and shall be entitled to timely written notice, (delivered by certified or registered mail, return receipt requested), by the Association of:

1. any proposed amendment or change for which a required percentage of Eligible Holders of First Mortgages must consent pursuant to the provisions of Article XVII of this Declaration;
2. any proposed termination of the Condominium as a condominium regime (which notice must be given at least 30 days before any action is taken);
3. any condemnation, eminent domain proceeding, or casualty loss which may affect a material portion of the Condominium Property (including, without limitation, any such event resulting in losses greater than ten percent (10%) of the annual budget) or any Unit on which there is a first mortgage held, insured or guaranteed by such eligible holder;
4. any decision by the Association not to restore or repair any portion of the Condominium Property (after damage or destruction or partial condemnation), or not to restore or repair such property in a manner specified by the Condominium Organizational Documents;
5. any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;
6. any decision by the Association to renew or rehabilitate the Condominium Property;
7. any decision by the Association to construct significant new capital improvements not replacing existing improvements;
8. times and places of Unit Owners' meetings;
9. any default under the Condominium Organizational Documents which gives rise to a cause of action against a Unit Owner whose Unit is subject to the mortgage of such holder, insurer, guarantor or insurer where the default has not been cured in sixty (60) days;
10. any decision by the Association to establish self-management when professional management had been required previously by an Eligible Holder of a First Mortgage; and
11. any proposed action which requires the consent of a specified percentage of Eligible Holders of First Mortgages.

ARTICLE XVII

AMENDMENTS AND ACTIONS REQUIRING OWNER AND LENDER APPROVAL

Section 1. Amendments requiring 100% of Owners and 75% of Lenders. Except as otherwise provided herein, the written consent of all Unit Owners and the consent of Eligible Holders of First Mortgages on Units to which at least seventy-five percent (75%) of the votes of Units subject to mortgages held by Eligible Holders of First Mortgages appertain shall be required to effect any of the following amendments of any Condominium Organizational Documents:

- (a) to alter the boundaries of any Unit or the conversion of units into Common Elements or *visa versa*;
- (b) to alter (i) the undivided interest in the Common Elements appertaining to a Unit, or (ii) the formula for allocating each Unit's share of common expenses, or (iii) the right to use Common Elements and Limited Common Elements;
- (c) to alter the number of votes in the Association appertaining to any Unit; or
- (d) to alter the fundamental purposes to which any Unit or the Common Elements are restricted.

(e) to alter the right of a Unit Owner, subject to reasonable rules and regulations of the Board, to rent or lease a Unit.

ARTICLE XIX

GENERAL PROVISIONS

Section 1. Covenants Running With the Land. The covenants, conditions, restrictions, easements, reservations, liens and charges created hereunder or hereby shall run with and bind the land, and each part thereof, and shall be binding upon and inure to the benefit of all

parties having any right, title or interest in or to all or any part of the Condominium Property, and the Association, and their respective heirs, executors, administrators, successors and assigns.

Section 2. Enforcement. In addition to any other remedies provided in this Declaration, Declarant (only with respect to those rights directly benefiting the Declarant), the Association, and each Unit Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, easements, reservations, liens and charges set forth herein or in the Bylaws or now or hereafter imposed by or through the Association's rules and regulations. Failure by Declarant, the Association or by any Unit Owner to proceed with such enforcement shall in no event be deemed a waiver of the right to enforce at a later date the original violation or a subsequent violation, nor shall the doctrine of laches nor any statute of limitations bar the enforcement of any such restriction, condition, covenant, reservation, easement, lien or charge. Further, the Association and each Unit Owner shall have rights of action against each other for failure to comply with the provisions of the Condominium Organizational Documents, rules and regulations, and applicable law, and with respect to decisions made pursuant to authority granted thereunder, and the Association shall have the right to assess reasonable charges against a Unit Owner who fails to comply with the same, including the right to assess charges for the costs of enforcement and arbitration. Notwithstanding the foregoing, in the event of any dispute between the Association and any Unit Owner or Occupant, other than with regard to assessments, that cannot be settled by an agreement between them, the matter shall first be submitted to arbitration in accordance with and pursuant to the arbitration law of Ohio then in effect (presently Chapter 2711 of the Revised Code of Ohio), by a single independent arbitrator selected by the Board.

Section 3. Severability. Invalidation of any one or more of these covenants, conditions, restrictions or easements by judgment or court order shall in no way affect any other provisions, which provisions shall remain in full force and effect. In the event any language of this Declaration conflicts with mandatory provisions of the Condominium Act, the latter's requirements shall prevail and the conflicting language shall be deemed to be invalid and void, provided that such invalidity shall in no wise affect any other provisions of this Declaration, which provisions shall remain in full force and effect.

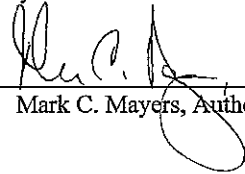

Section 4. Gender and Grammar. The singular wherever used herein shall be construed to mean the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations, partnerships, men or women, shall in all cases be assumed as though in such case fully expressed.

Section 5. Captions. The captions of the various provisions of this Declaration are not part of the context hereof, but are merely labels to assist in locating the various provisions hereof.

Special meetings of the Unit Owners may be called at any time by the president or by the Board, upon written request of the Declarant, or upon written request of Unit Owners other than the Declarant entitled to exercise one-fourth (1/4) or more of the voting power of Unit Owners other than the Declarant, and when required by the Condominium Act.

Section 4. Notice of Meetings. Written notice of each meeting of Unit Owners shall be given by, or at the direction of, the secretary or person authorized to call the meeting, by mailing a copy of such notice, postage prepaid, at least seven (7) days before such meeting, to each Unit Owner entitled to vote thereat, addressed to the Unit Owner's address last appearing on the books of the Association, or supplied by such Unit Owner to the Association for the purpose of notice, or by delivering a copy of that notice at such address at least seven (7) days before the meeting. The notice shall specify the place, day and hour of the meeting, and, in the case of a special meeting, the purpose of the meeting. Where a special meeting is called to approve any of the actions listed in Sections 1 through 5 of Article XVII of the Declaration, not less than 25-days notice shall be required.

Section 5. Quorum. The presence at any duly called and noticed meeting, in person or by proxy, of owners entitled to cast at least twenty percent (20%) of the voting power of the members shall constitute a quorum for such meeting. Unit owners entitled to exercise a majority of the voting power of Unit Owners represented at a meeting may, at any time, adjourn such meeting. If any meeting is so adjourned, notice of such adjournment need not be given if the time and place to which such meeting is adjourned are fixed and announced at such meeting.

Section 6. Proxies. At any meeting of Unit Owners a Unit Owner who is entitled to vote may vote in person or by proxy. All proxies shall be in writing and filed with the secretary prior to the meeting.
