

MAIN STREET MARKET

Eat! Drink! Gather!

Main Street Market is hosted by Harrodsburg First Main Street Program and showcases unique specialty items created by retail businesses, artists, makers and growers.

Potential vendors are welcome to apply to become a monthly vendor during the 2019 Downtown Harrodsburg Main Street Market. Please note there is a limited amount of space available. Our market is strictly product based and we reserve the right to accept or deny vendors based on: qualification, quantity, quality and craftsmanship. Furthermore, we reserve the right to deny vendors who sell items that duplicate and/or will be in direct competition with our established downtown retailers. At this time, we are not accepting direct sales vendors.
