## Why 1<sup>st</sup> Choice?

Engineering, Construction, & Development under one roof. You get more than 35 years' experience in design and construction which optimizes your efficiency and reduces construction time, change orders, and costs! Many construction issues resolved before the shovel hits the ground.

**Looking to add value to your Construction Team? Make us your 1<sup>st</sup> Choice!**

1<sup>st</sup> Choice has completed most horizontal construction, as noted to the left, and have a sponsored utility contractor for any GC and underground work. (CUC#1225347)  
Clients for our Construction Team include: City of Jacksonville, Jacksonville Jaguars, Fernandina Beach, Saint John's River Management District, and many private developments.

## How can 1<sup>st</sup> Choice save you money on your next project?

Please contact Lynn Ciambella or Bart Ciambella, P.E.
