

Signs, Seats and Students

May 1, 2021

A Scripps Ranch High School Foundation Virtual Event

You are invited to become an event sponsor for this year's *Taste of the Ranch (TOTR)*, benefitting all students of Scripps Ranch High School! As a sponsor, your business will be advertised directly on the sign or bench donated, as well as savor a year's worth of recognition via SRHS Social Media pages and Foundation website. With a guaranteed customer base of more than 29,000 community members, your sponsorship is quite the meal-ticket. *Taste of the Ranch* will take place on Saturday, May 1st 2021.

Outside seating and directional signage has been amiss on the SRHS campus for decades. The 2021 TOTR will be dedicated to the Falcon Students to guarantee they get where they need to go or have a place to ponder while planning for the future. *Sponsorship opportunities range from a new school marquee to decorative, but durable, school benches and signs. Money from a la carte giving and raffle tickets will provide funding for student mental/health and academic services. *Please see attached Sponsorship Form*

The Scripps Ranch High School Foundation, the organization that is hosting the virtual event, is designated as a 501(c)(3) not-for-profit organization. A portion of your donation could be tax deductible. Please check with your tax advisor. Our non-profit tax ID number is 33-0576627.

I look forward to creating a mutually beneficial partnership that provides advertising value to your business and supports Scripps Ranch High School! Thank you in advance for your time and consideration. Please feel free to contact me directly with any questions.

Sincerely,

-Pam Marvuglio
