SAFETY.PRIVACY.TRUST

Be the Privacy Protector
for your Guests, your Staff,
and your Reputation

This holiday Season, Give the Gift of Privacy, Peace of Mind, Care, and Protection—and affirm your role as a True Protector.

"The Unthinkable Question... Are your restaurant, bar, coffee shop restrooms unknowingly exposed to hidden cameras, violating the privacy of your guests and staff?"

"A Threat That Bypasses Even Your Strongest Security Measures. It captures your guests and staff in their most private moments, creating an unrecoverable breach of trust."

Restrooms

**KEEP PRIVATE, PRIVATE
IT IS THE LAW**

SAFETY.PRIVACY.TRUST

Emerging Danger

Hidden Cameras are leading to what **Federal Prosecutors** are calling an **Explosion of Cases** involving **Sexually Explicit Images** being sold among predators on **the Internet**.

Watch YouTube Video

Your Greatest Threat Isn't a Bad Review

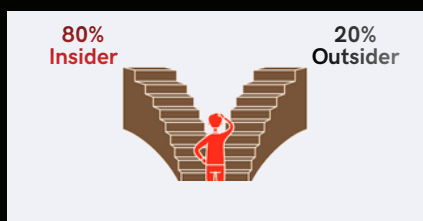

Hidden cameras - that can leak sensitive footage or private moments from your restrooms to the entire world?

A fundamental **breach of trust**. An **immediate media crisis**

Who is behind the threat?

...It's Not a Hacker

It's Disgruntled & Former Employees. Envious Partners. Competitors. the List Goes On

Are You Vulnerable? The 3-Question Assessment

Does your business cater to minors (under 18) or female clients?

Does your facility have restrooms, changing rooms, exam rooms, or showers?

Can these spaces expose clients in their most private, vulnerable moments?

The True Cost of Failing to Act?

A Single Incident Can Cost Hundreds of Thousands to Millions of Dollars

Irreversible loss of public trust and devastating damage to your mission and reputation

Criminal charges (e.g., child endangerment) and costly **civil lawsuits** from victims and their families.

Profound and lasting **mental anguish and trauma** for the children and adults affected

You're Liable Even If You Didn't Know

"Did you take reasonable steps to prevent it?"

The Cost of a Breach

\$500,000 +

Average Cost of One Lawsuit

This doesn't include attorney's fees, the viral story, or the total loss of your reputation and business license.

SAFETY.PRIVACY.TRUST

What We Offer

- **Spyware Sweep** : Hidden Camera Detection Utilizing Advanced Computer Vision, RF and Thermal Imaging
- **Physical Infrastructure Scan**: Detailed scans of electrical outlets, physical spaces.
- **Privacy Compliance Certificate**: Upon successful completion, an official certificate is provided for display.

Our Unique Approach Under a Strict NDA

Monthly, Unannounced Inspections

Your facility receives, uncompromising protection through surprise inspections designed to ensure vigilance, deterrence, and full accountability

Mandatory Escort Protocol

A designated staff member must escort our team from the moment we arrive until the moment we leave. This ensures chain-of-custody integrity and eliminates any gaps during the sweep.

Full Video Documentation

Every inspection is fully recorded for internal record-keeping and certification evidence. This protects you, provides proof of compliance, and establishes a verifiable audit trail.

Taking Action

Demonstrates you took "**reasonable steps.**" This is your **strongest defense** and, more importantly, it fulfills your **moral commitment** to safety.

Our Heritage

Trusted by the World's Most Critical Networks

IDS stands on the shoulders of giants. We are a new entity forged from a massive portfolio of wireless coverage and capacity technologies. With a history spanning over 30 years and \$1.2 billion in technology building blocks, our founder's innovations are currently operating within the world's most critical infrastructures, including top-tier mobile networks, hospitals, and government sectors across the US and around the globe.

Peace of Mind You Can Prove

**CERTIFICATION THAT
SPEAKS FOR YOU WHEN
