## What We Offer

- **Spyware Sweep:** : Hidden Camera Detection Utilizing Advanced Computer Vision, RF and Thermal Imaging
- **Physical Infrastructure Scan:** Detailed scans of electrical outlets, physical spaces.
- **Privacy Compliance Certificate:** Upon successful completion, an official certificate is provided for display.

## Our Unique Approach Under a Strict NDA

Your facility receives, uncompromising protection through surprise inspections designed to ensure vigilance, deterrence, and full accountability (IDS will deploy 1-2 inspectors per visit)

A designated staff member must escort our team from the moment we arrive until the moment we leave. This ensures chain-of-custody integrity and eliminates any gaps during the sweep.

Every inspection is fully recorded for internal record-keeping and certification evidence. This protects you, provides proof of compliance, and establishes a verifiable audit trail.
