SPECIAL EVENTS

MARLA BEDROSIAN

PROPRIETOR OF DOMAINE DE LA RIVIÈRE

Spending her entire adult life in the hospitality industry it should not surprise you that Marla will always find a reason to entertain and host friends and family at Vineyard eleven whenever the moment allows. Her love for wine began to develop with her first role at Fairmont Hotels in the early 90's.

While spending time with the hotel's culinary team, sommelier and food and beverage experts she began to deeply respect what was in her glass and wanted to seek knowledge behind the magic.

Marla will walk you and your colleagues through their family's journey on how they made their “dream” become a reality to own and operate a vineyard and winery. The experience will ensure that each attendee enjoys an interactive pairing of small pours to include Rosé of Pinot Noir, Chardonnay and a side by side comparison of two Pinot Noir vintages.*
