LIVE SIMULCAST CLASSES

(full hour technique classes LEVEL 3-7)

If you do not feel comfortable attending class in-person, you have the option to take in-studio classes LIVE via ZOOM. We have equipped our studios with upgraded technology (large moveable monitor screens, professional wireless headset, upgraded wireless capability, etc) so that it will feel like you are right there in class with us! Please note: If you decide to transition to in-studio experience, space must be available in their class.

- Tuition follows traditional class tuition pricing/schedule

FULLY VIRTUAL CLASSES

(Preschool, Kindergarten, First/Second Grade combo classes)

We are excited to offer a limited number of classes taught **exclusively** via Zoom for Preschool, Kindergarten, First/Second Grade. A minimum of five registered dancers for each class is required in order to keep the class on our schedule. As of now, we plan for these classes to run in sessions for the duration of our season. Our standard withdrawal policy will apply to these virtual classes.

If at any point the number of students drops below five or if conditions surrounding the pandemic improve greatly, we may cancel the session with the hope we could find another in-person class option for your dancer. In the event we cannot, we would credit tuition appropriately. *Please note: if you decide to move to in-studio classes, your dancer can only transition into an existing, in-person class with available space.*

- Tuition follows traditional class tuition pricing
- Tuition will be charged per session

CHARTERED SEMI-PRIVATE CLASS

Fill out the Interest Form (below) and our office will contact you with options for your small class.
