

Dear Parents,

July 18 2022

I am looking forward to teaching at JDA. I teach Spanish and Bible.

**Spanish** We will be learning vocabulary each week. There will be a Spanish Bible verse to say every week. We will be learning to conjugate Spanish verbs throughout the school year. We will be learning basic Spanish grammar and vocabulary. Grades will be earned through classroom participation, tests, projects and quizzes.

**Bible** Grades will be earned through classroom participation, tests, quizzes, projects and for assignments completed in the notebook.

**Supplies needed:**

3 ring binder with paper for Spanish. Grades will be given for homework and pages will need to be removed from the binder.

A multiple subject spiral bound notebook for **Bible** class. A Bible, if you already have one that is great. If you are purchasing a Bible for the first time the NKJV is a great version that is easy to understand.

3 by 5 index cards (making note cards for memorizing)

Pencils with erasers and/or pens

Kleenex Hand

13gallon kitchen trash bags

Clorox wipes

sanitizer

Paper towels

Lysol spray

I am looking forward to a great year together. Que Dios les bendiga.

**Mrs. Petty**
