

HOW YOU CAN HELP WITH WRITING FUNCTIONAL LETTERS

A functional letter is a formal letter e.g. a complaint or request. When writing the letter your child should be clear about the purpose of the letter. Your child should be aware who they are writing to and should use appropriate words.

- * Look at magazines and newspapers/ watch television programmes where children are encouraged to write in to the editor or producer
- * Write requesting information for a school project or a hobby
- * Write to complain about something you have bought or a poor service
- * Write a request to join a swimming club or to arrange a visit to a museum
- * Encourage your child to proof read their writing carefully
- * Use plenty of praise and encouragement
- * Make writing fun. Write some letters together!
