Chairpersons Annual Report 2020

We have had a very different 12 months since we last held our AGM on the 19th September 2019. I feel Broomlands has gone from strength to strength, we still have the welcoming and inclusive school for all parents, pupils and staff. I quote my sons statement from only last week that he would "be so sad if he had to go to another school somewhere else as he loves Broomlands" He supports his school with a fierce pride that I know only children from a great school would. I know so many other children who feel that way about our school too.

We haven't done a huge amount this year because of reasons out with our control, but just before Christmas we held the Christmas Fair that was extremely successful. It was a lovely relaxed evening which is what we always strive to do with our events at the school. We went all out for the raffle and the town were so generous with their donations and I feel this was the highlight of the evening especially with Avril as the compere. It was a very successful evening and we made £2114 for the school.

We lost Michelle Matthews as head teacher at the end of last year because she took on the post of Quality Improvement Officer for the South Eastern Improvement Collaborative. However, we have been very lucky to be given Mr Adam Lindsay in her place whilst she is away. He has come into our school and as far as I am concerned has fitted in so well and made such a difference. Particularly when COVID came along and threw all our worlds into confusion and chaos. Mr Lindsay and Mrs Gibson stoically took control and put plans in place in order to make this, life changing pandemic, something we could deal with and try to get through together as a school and a community.

As we all know this has been a very difficult time for everyone, but the staff at Broomlands, headed by Mr Lindsay and Mrs Gibson have tried so hard to make it easier for us all. All the teachers kept in touch with the pupils every day using the GLOW page and sending work over to them using this platform. As a parent, it has not been an easy journey trying to home school whilst trying to work. When I spoke to the school about this, Mrs Orde was very kind and reassured me that actually things would be fine, my boys would catch up. She explained that even if some days they didn't feel like doing work I could perhaps give the boys different types of learning activities that would perhaps make learning at home seem a bit more fun for them. Basically, all the teachers and staff have been such a support not only to the pupils but to all of us as parents too.

As one half of the Chair, I know I speak for Pam too that we couldn't ask for a better school for our children to have been at whilst we all struggled through this horrendous time. Both of you and your staff have made a very confusing time for our children, a far nicer and easier experience for them and for us as parents too. We would also, both, just like to thank all the staff at Broomlands for their professionalism and commitment to the school and to all their pupils and parents too. It's a wonderful school and we thank you for being there through this difficult time.

I would also like to thank all our local councillors that come to our meetings every time we have them, you are a great asset to our Parent Council and we thank you for the continued support you provide.

I would finally, just like to inform any of you who may be interested in Connect's Information Sessions, they support parents and parent groups on the journey through early learning, primary and secondary schools. Connect is an independent parents' organisation and charity funded primarily by member subscriptions. They are good forums for giving you ideas and practical advice about things like bringing the school community together in these difficult times. They are looking at ways to help PC members fulfil their role in these times too. There are a few sessions outlined for October on Constitutions for Parent Councils on the 1st Oct, Parent Councils what our role is now on the 6th Oct. So if any of you are interested in being part of this forum James Thom has been sending out the emails to all parent committee members.

Once again, thank you for your continued support on the parent council and fingers crossed the next 12 months are a lot calmer and our children can stay in the school setting to do what they do best.

Chairpersons Annual Report 2020

Firstly, I would like to send my apologies for not attending tonight's meeting. For those who don't know me I am a full-time student and I am currently on placement and I don't get to choose my shifts.

I would like to say a huge thank you to everyone who has managed to join the very first zoom parent council meeting – it certainly is very strange times but at least there are still opportunities to meet.

I would like to thank my 'other half' Jennifer on her report and agree that we have a wonderful school where all the staff have gone above and beyond to make sure our children still got learning opportunities during this pandemic, it is very much appreciated.

Lesley Munro (SBC's Service Director Young People, Engagement and Inclusion Officer) has offered weekly meetings (via teams) with Parent Council chairs to communicate with us that everyone is working hard to ensure we have all the relevant up to date information in relation to current government guidelines. These have been very useful meetings and have reassured parents/carers that the council are working hard with a multidisciplinary team and with schools to make sure our children are safe. She has taken on board any concerns and questions and addressed these appropriately. If anyone has any questions, they would like to put forward please feel free to email one of us to pass on at our next meeting. (pammyg@hotmail.co.uk)

I would personally like to thank all the staff in the school for all their hard work and commitment during lockdown and appreciate the communication they gave parents/carers, via phone calls, GLOW etc. I know it must have been very challenging, but you have all done an amazing job. Thank you also for the fab video of the children's learning at Broomlands – they all look very happy and engaged.

As it is the AGM it is that time that we have our election of office bearers, clerk and members.

Previously the Chairperson's role has been difficult to fill so I would like to say that if no one wishes to take this role on then I am still happy to continue as the chairperson, alongside Jennifer.

I would like to say a massive thank you to James for doing such a fantastic job as clerk and I would also like to thank Julie for being the PC treasurer.

As Jennifer said in her report our last event was the Christmas Fair which we raised an amazing amount of money – well done everyone who supported this.

I am not sure what we can all achieve during these strange times in regards of organising events, but we will hopefully get a chance to 'meet' sometime very soon and discuss ways in which we can raise funds virtually/social distance. We will look at dates soon to welcome all parents/carers to help come up with some ideas.

Head Teachers Report 2020

I want to place on record my appreciation for the hard work of staff and the understanding of families over the recent difficult months. I also appreciate the messages of encouragement and thanks from PC members. The Joint Chairs were and Clerk were particularly kind and encouraging as they continued to fully support the school over this difficult period. Children have largely settled very well back into the new routines and new expectations at school. Feedback has been generally very positive from parents. Staff are adjusting work approaches and habits to ensure safe working practices and are building good relationships with the children in their new classes.

COVID-19

Update: We continue to follow Scottish Government and Scottish Borders Council advice regarding COVID-19. All staff wear masks when appropriate, notably if in any close contact less than 2 metres from children. The flowchart of guidance for reacting to COVID-19 is clear about symptoms to be aware of and what action to take if required. We are following this advice. I have asked SBC for further information about reacting and advising re common cold symptoms, some of which overlap with COVID-19 symptoms. Mr Dryden spends from 11am to 1pm every day doing touch point cleaning (door handles, bannisters, etc.) This is followed up and repeated by the cleaning team later in the day

Electro-static fogging occurs on a rota basis:

- Monday – Offices & Nursery
- Tuesday – P1/2C, P1/2, P2, Wet area
- Wednesday – PE cupboard, Music Room, Rooms 6, 7, 8 & 9
- Thursday – Staff room & adjacent meeting room, Rooms 5, 11, 12

All normal cleaning will continue to take place on top of this.

Pupils and staff

Pupil numbers have increased. We have taken in 31 new Primary 1 children along with a number of other children across other year groups. The current school role is 241, with a further 48 children in the nursery, with more due to join as the year progresses.

We said goodbye to Mrs King at the end of last session and wish her well in her next stage of life. She has been a great servant of the school for many years and will be hugely missed by both children and colleagues. Miss Nicol has finished her year as a newly qualified teacher and has secured a post as additional teacher elsewhere during the COVID crisis. We also are pleased that our nursery Modern Apprentice, Miss Crombie has secured a full time position in a nursery – she has been well supported in her year with our ELC team and is ready for these next steps. We welcome our new Modern Apprentice, Rachel Horsburgh, to the team. She has made a very positive start. We have just found out that we are now entitled to an additional 56 hours of staffing in the nursery, and will be recruiting to these positions very shortly. We are delighted that Mrs Mutch is well and has returned to deliver music. Mrs Ward-Higgins is delivering our PE as before.

Mrs Currie continues to work alongside our nursery colleagues one morning/week which is going to be a supportive role and one where elements of early level practice are shared. The class will be covered by Miss Bays again. Mrs Currie will also mentor our new staff member Mrs Liddle, who is teaching Primary 2. We welcome her into Broomlands and wish her well.

During lockdown staff have all been continuing to learn, with a particular focus on gaining awards in understanding of dyslexia, exploring use of digital learning, starting to get to grips with the iPad's (many gaining the Apple Teacher qualification) and so on.

Teaching & Learning

We have planned a number of priorities for the year ahead. These are:

- Parental Engagement – how we support families to learn with us and understand more about our approaches.
- Inspire – how we make the most of the learning potential of the iPad resource.
- Data & Moderation – how we use data to focus teaching and learning and how we work together to ensure consistency in all stages of the learning cycle.
- Development of reading approaches – consistency, methodology and engaging learners.
- Outdoor learning – how we use the outdoors to facilitate 'everyday' learning.
- Nurture – how we work with the 6 principles of nurture to ensure we support learners fully.

Finance

We have felt very well supported to have all we need to ensure we meet the COVID-19 challenges. We have a 'wish-list' for parent council to consider – details shared with the PC chairs for consideration – total costs, organised by priority, would/could be:

Red Priority Items £687.78

Red and Yellow Items £1080.39

All Items £1770.93

Property

We have an aim to develop a reading nook in the corner of the school garden, where classes can gather and enjoy a story with their teacher. Watch this space!

We have received a great deal of PPE equipment to ensure we keep staff and children safe during this time – masks, gloves, wipes, sprays, visors, aprons and so on. We feel very well provided for and have quick access to anything we are running short of.

All our usual art and stationery requisitions were made during lockdown and we are well supplied with most of what we need (some ordered equipment is still outstanding, but should be with us soon).

We have also fought for the replacement of equipment and materials damaged, used or lost during the time the school was used as a Childcare Hub. We are pleased that SBC have fully supported us in this, and are in the process of making a number of furniture, stationary, PE and other orders to ensure the school has all it needs and hasn't lost out.
