

Curriculum Overview - Topic: Opportunity Zambia

Block: II

Class: P3/4

Teacher: Mrs Murray

Literacy and English

I can

- listen and talk with others for different purposes exchanging information, experiences and opinions with each other.
- find and select information about Zambia and make up a fact file about the country and the continent of Africa.

Africa.

Science and Social Studies

I can

- explore the continent of Africa-specifically the country of Zambia and recognise some of its various geographical features.
- appreciate how these features impact on the lives of those living there.
- compare and contrast our own lifestyle experiences and opportunities with theirs.
- create an enterprising venture to support the school in Zambia.

Numeracy and Maths

I can

- understand that the concepts of addition and subtraction.
- use my own strategies to solve addition and subtraction problems.
- develop my reasoning skills and new strategies through "number talk" activities.
- learn the value of each monetary coin and offer the correct total to buy items.
- use my understanding of money in an enterprise venture.

Homework

Spelling homework and activities will be issued on Monday and should be returned to class on Thursday. Any reading assignments will be highlighted in the reading diary. Thankyou.

Health and Wellbeing

I can

- demonstrate how to keep myself and others safe.
- learn important "be safe, be seen" road safety skills to help us stay safe to and from school.
- learn how to keep "fire safe" at Guy Fawkes with the help of useful advice from the Fire Service.
- work together in an enterprising way to create a Christmas market to sell goods for opportunity Zambia.

Expressive Arts

I can

- use African drums to help me to create African music and dance.

Religious and Moral Education

I can

- watch and talk about Christian stories to help me appreciate Christian values and beliefs.

Technologies

I can

- use digital technologies to research specific information about Africa and Zambia.
- use digital technologies to present my work accurately under headings and sub-headings using book creator.
- use my knowledge of powerpoint in a different context to create informative slide show presentations about Zambia.

Modern Languages

I can use a French advent calendar in the lead up to Christmas.

How to Support Your Child's Learning at Home: as we will be embarking on a new venture during the term supporting the children in our new school link in Zambia we would greatly appreciate your support in this significant enterprise.
We shall keep you informed of any important dates.
Thanking you so much for your continued support and enthusiasm.
