

Inspire Learning parental information and agreement

The Inspire Learning programme provides young people with an iPad and a range of eLearning tools and resources to assist and enhance their learning at school and at home.

Inspire aims to:

- Improve access to digital technology for learners
- Ensure that digital technology is a central consideration in all areas of the curriculum and is used to enhance learning and teaching experiences
- Develop the skills and confidence of staff and pupils in the appropriate use of digital technology
- Empower staff and pupils

We trust that pupils will take care of their iPad and treat it with the care and respect that we know they do with any other pieces of school property as if it were their own.

We do accept however that there will sometimes be accidents. If your child's iPad does get broken, please don't worry. We have plans in place to ensure it can be fixed or replaced if needed. If something happens to their iPad, pupils should inform a member of staff immediately or you as a parent or carer can contact the school.

If it is identified that an iPad has been purposely vandalised a discussion will take place between yourself and the school. Please note, in some circumstances you may be asked to pay a contribution towards the repair or replacement of the device.

As a parent/carers, we ask that you:

- Ensure your child cares for and respects their iPad
- Monitor and oversee iPad use at home
- Immediately report any loss or theft which happens out of school, firstly to the police and then to the school. You should get an incident number from the police.
- Cover the cost of any lost or damaged chargers/cables
- Ensure your child returns the iPad in excellent condition when the time comes to hand it back. Both the original case, charger and charger lead should also be in good condition.

Parent/carers Agreement

I agree to my child having the use of an iPad on these terms

I confirm that I have read and understood the following documents

NAME	PARENTAL INFORMATION BOOKLET	<input type="checkbox"/>
SIGNATURE	PUPIL ICT ACCEPTABLE USE POLICY	<input type="checkbox"/>
