

The Cannon Club Events

215 Calle San Sebastian, San Juan, PR 00901

Venue

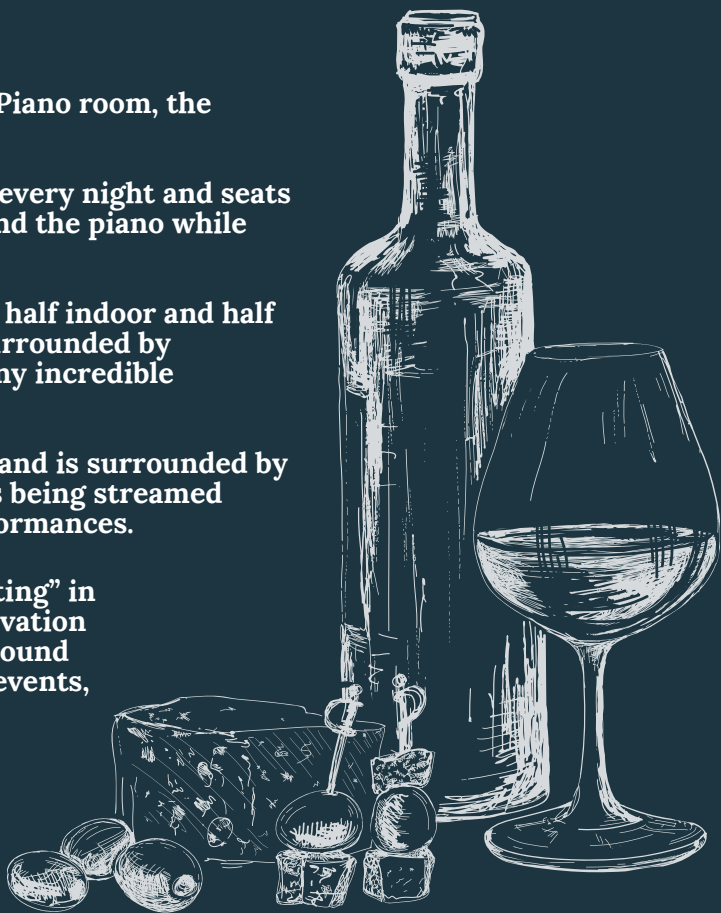

We have a total of 3 areas in the restaurant. The Piano room, the Pool/Bar and the Patio Terrace.

The piano room is where we conduct Live Music every night and seats approx. 25 guests. The guests will be dining around the piano while having an up and close music performance.

The Pool/Bar area seats approx. 30 guests and is half indoor and half outdoor. The outdoor area has a beautiful pool surrounded by sculptures and plant life while the inside has many incredible chandeliers.

Lastly, the Patio Terrace seats approx. 40 guests and is surrounded by plant life and twinkling lights as the live music is being streamed through our speakers to not miss the music performances.

Seating is as-is, what we consider “scattered seating” in multiple tables based on the location of the reservation in the restaurant. The entire restaurant can fit around 95-120 guests. This space is perfect for wedding events, birthdays and special occasions.

Menu

We offer a few menu options for our guests to choose whichever best fits their event and preferences. Depending on whether the event is a sit down dinner or just appetizers being passed around, a menu is created so that attendees can pick from pre selected options or, depending on the circumstances, to simply order directly from the menu. We have a variety of talented local musicians that play live at the Cannon Club regularly.

We can book a musical performance for your event if interested. The price would depend on total of ensemble (solo, duet, trio, quartet) and duration of performance.

We also have a Yamaha piano with the capacity to self play music without a pianist present. If there is a particular playlist in mind for your event, please inform us and provide beforehand in order to verify if the selected songs are available in the pianos built in music program
