**John 2:11 This beginning of His signs Jesus did in Cana of Galilee, and manifested His glory, and His disciples believed in Him.**

Introduction to the Gospel of John:

- Written by:
- Might have known
- May have taken some time to write.

Reason for writing:

**John 20:30,31 Therefore many other signs Jesus also performed in the presence of the disciples, which are not written in this book; but these have been written so that you may believe that Jesus is the Christ, the Son of God; and that believing you may have life in His name.**

**John 21:25 And there are also many other things which Jesus did, which if they were written in detail, I suppose that even the world itself would not contain the books that would be written.**

Who are the players?

What happened?

What is the big deal about miracles, and why does John only include 8 of the many that Jesus did?

Jesus and His mother:

- Conversation
  - Seems...
  - "What does that have to do with us"
  - Mary does not...
  - Mary leaves the result up to Jesus.

Jesus and the servants:

- Conversation:
  - Commands and obedience
- Who knows what happened?
- Who does not know what happened?
  - What did they miss?
- Obeying God helps us...
- And sometimes, we can know...

What are the takeaways for us?
