Secretary: CJ - I do not have anything for AA but I have to leave the business meeting early for work

Supplies: Duff - absent

GSR: Ronny - Went to area to vote for State Area Physicians, that will take place come January 1st. My position as GSR will come to an end as of December. Hoping to be voted as DCM. Whomever is interested, I would like to take them to the next area meeting to introduce and show them how it works. Getting into service work, there is a prerequisite. You have to be a GSR for 2 years in order to be voted as DCM. And you have to be in DCM for 2 years also before you can get a service position at Area Level.

At area 37 meeting, there were 98 people, 87 were voteworthy. Voting results: Delegate - Murray, Alternate Delegate - Aaron, Chairperson - Frank, Corresponding Secretary - Anthony, Recording Secretary - Crystal, Treasurer - Debbie

Intergroup: David (different than attending David) - absent

Chip and Lit: Lisa - I now have access to the LYH Gmail account. Which means, those who attend on zoom and have achieved their yearly sobriety, can email me with their information, then I can send them their corresponding chip in an envelope. Julie and I (Lisa) to grab some more big books, chips, literature and meeting schedules.

History: Richard - absent

Meeting coordinator: Mark - there are still 12 spots as of right now open for September to chair meetings

Group Technology Coordinator: Sarah - online attendance ranges between 30-50 everyday. The frequency of the "zoom boomers" (those who attend online meeting with the sole purpose to disrupt the nature of the meeting) have been down. Suspectedly because of school going back in session. No website changes this month, this is the 1st time the online position for greeter and chairperson is not filled. We have our online group conscious on Aug 30 2025 to get that filled in. I am excited about the development on giving chips to online attendees and will get a statement written up and about the email with the info they need

Diane motions to accept the reports as presented, Ronny seconds.
