Monthly Match Report
Mid-South F-Class

Match Summary

Hot, Hot, Hot! But, the light southerly winds made it tolerable for shooting last Saturday. We had a good turn out with 20 shooters signing up for the June scorcher. A new group of guys from Missouri showed up for the match and they cleaned up pretty good taking home some serious hardware in F-Open. We hope you found our folks friendly and you will come back next month and bring friends. As you can see, we can handle 40+ shooters and still keep it at two relays. This speeds things up considerably. The match was wrapped up around noon.

Apparently the heat didn't agree with some of the rifles because a few had some mechanical issues and DNF. We hope it's nothing too serious and you'll be back next month.

Welcome back junior shooter, LJ Scott who took home a third place medal in F-TR. Congratulations to Johnny Scott, Nathan Howell and David Schmidt for their wins.
