Monthly Match Report  
MidSouth F-Class

## **Match Summary**

The Mid South F-Class shooters had a very nice day to shoot last Saturday. It was overcast, rainy and very low temps for this time of year, and we avoided any downpours. We had a good turnout as well with 24 shooters and great conditions. Almost no wind and only a tiny bit of mirage. The high scores all around were evidence of the calm conditions. There was the occasional wind that caught many of us by surprise with wet flags and no mirage; that handed out the occasional 9.

For those interested, we are planning another Regional Match on October 26 and 27. Once we get the official approval from the NRA, we will make a formal notice. Stay tuned to this website.

Also announced Saturday is the eventual move to the new match software on Shotmarker. This new software will allow us to squad beforehand and once squadded and we go live, you will get your lane and relay assignments off the Shotmarker. At the conclusion of each match, the results will be immediately available on the Shotmarker too. We will continue to use the cards for scoring and as a backup to the software. Stay tuned to the website for additional updates.

We had two shooters who brought their own shooting benches. We are allowing this for those wanting or needing to shoot from a bench. You must bring your own bench and set it up. Unfortunately, we can't use the concrete benches which are behind the firing line for safety reasons.

<i>Competitor Name</i>	<i>Rifle</i>	Match		Match		Match		Aggregate	7/27/24

### Shooting Tip

Be wary of flags during or after a rain. They are deceitful.

**Next month's match is August 24, 2024**
